

Chicagoland Building Over Billion Mark

Frankfort Methodists Vote to Build Church; Approve New Site

The proposal to build a new church on a new site was approved by a vote of more than two to one at the special quarterly conference and congregational meeting of the Frankfort Methodist church held at the regular worship hour last Sunday morning.

Dr. R. Merrill Powers of DeKalb, superintendent of the Joliet-Dixon district, presided at the meeting at which the recommendations of the building committee were received and approved.

After nearly an hour of discussion and questioning the congregation voted on whether to build a new church or an addition to the present one. The vote in favor of a new church on a new site carried two and a half to one.

Attention was then turned to the location of the new church. Six sites had been investigated by the building committee. After considerable study the committee submitted two sites for final consideration by the congregation.

A description of the two locations was inscribed on a printed ballot which was distributed to the church members. There was also space on the ballot where one could write in his own choice of sites.

By a vote of almost three to one the congregation decided to locate the new church on a plot of land about two blocks east of Center rd. in Frankfort on Sauk trail. The property is owned by Albert H. Krusemark, Jr., of Frankfort and other members of his family. The new site will provide space for parking and room to expand to meet future growth.

Dr. Powers then convened the special quarterly conference and the board of trustees was empowered and instructed to negotiate an option on the 5-acre site which lies on the south side of Sauk Trail and adjoining the Krusemark farmstead on the west.

The building committee, composed of Ralph Dralle, Arthur Mark, Sr., Henry Mark, Claude Otto, Arthur Bauch and Wendell Morrison, was directed to immediately begin working with the architect to design a plan that will meet the needs of the congregation and the church school. Suggestions and ideas are solicited from the congregation and friends of the church.

The Rev. Ben F. Day, pastor of the Frankfort church, emphasized that the vote to relocate and build a new church was not a vote to approve any particular floor plan or type of architectural design. These decisions plus the choice of materials and the cost factor will be decided by the next conference and the congregation in the future.

The regular fourth quarterly conference (the annual church meeting) is scheduled for March 12 at 7:30 p.m. It is expected that by that time the congregation will know exactly how much property will be needed and the trustees can be instructed to assume title of the land, the Rev. Mr. Day said. Ground will be broken and construction begun as soon as the necessary preparation of plans, financial campaign, and other necessary decisions have been completed, according to the Rev. Mr. Day. The Frankfort church has over 200 members.

Elmer Cooper to Undergo Surgery

Elmer Cooper, chairman of the Will County Zoning board of appeals, Republican precinct committeeman for Mokena and co-owner of the Cooper and Hostert garage in Mokena, was taken seriously ill last Friday evening while attending the \$100 a plate Republican dinner in Chicago.

It was necessary to call a physician to attend him at once while at the dinner, and Attorney Walter Herschbach remained with him until his son Harold and daughter, Mrs. Hugo Niethammer of Mokena arrived to bring him home.

He was removed to Silver Cross hospital Saturday morning and it is expected he will undergo surgery this week end.

Technologists at Battelle Memorial Institute of Columbus, O., anticipate production by 1975 of more than 6,000,000 barrels of oil a day from coal.

Mothers' March on Polio Will Wind Up 1956 Drive in Mokena

Mokena's fire siren will be loosed at 7 o'clock the night of Jan. 31 to signal the beginning here of the Mothers' March on Polio. Persons who will contribute are asked to turn on their porch lights.

This event has become one of the largest single sources of funds in the annual campaign to finance the undertakings of the National Infantile Paralysis Foundation.

While high hopes are held that eventually thru the use of the Salk, or some other and improved vaccine, polio will be eradicated there is still need for much research in combating the disease, it was pointed out, and of course, there are the thousands of victims that will be in need of care for years to come that can only be provided thru such a means as the infantile paralysis foundation and its county chapters.

Vaccine to prevent polio, it was emphasized, cannot help the stricken.

The funds collected in each county are divided with the national foundation. When local funds are insufficient to meet local needs the amount necessary is forthcoming from the national organization.

In Will county last year the cost of polio patient care was \$29,400.

There were 15 new cases of the disease in the county in 1955 of which six were of the paralytic type and one is bulbar.

The largest single expenditure in the county last year was \$4,670 for the care of a father of two children.

New Jet Rocket To Peel Off Monday On Run to Peoria

A "press run" of the Rock Island's new Jet Rocket, which is to be placed on the Chicago-Peoria run, is to be made next Monday. The train is to leave Chicago at 9:30 a.m. It will pass thru Tinley Park at 9:59 on its western trip, Mokena at 10:03 and New Lenox at 10:08. Returning from Peoria the train will pass thru New Lenox at 4:17, Mokena at 4:22, Tinley Park at 4:26 and is due in Chicago at 5 p.m.

It is called a "press run" because its passengers will be made up of newsmen and railroad brass.

D. G. Hodgdon, Chicago city passenger agent for the Rock Island, was contacting school principals in communities along the route this week with a view of getting pupils released from classes long enough to view the new jet rocket on its journey.

The new train was seen along the line last September on a test run but since then considerable work has been done in eliminating various "bugs" that appeared. The new train is of lighter weight and by its ability to accelerate and decelerate rapidly and maintain speed on curves the Rock Island will improve its Chicago-Peoria schedule.

LIONS SCRAP DRIVE

Persons with scrap paper, cloth or metal are asked to bundle it up, set it out and signal that it is ready by turning on their porch lights. The Mokena Lions club is making its monthly scrap collection tonight at 7 o'clock.

"She's the type of girls who makes men jump in rivers and climb mountains — a woman driver!" — Johnny Lockwood.

ture in the county last year was \$4,670 for the care of a father of two children.

An average of 26 polio cases per month receive some type of physiotherapy once or twice a month, paid for by the Will county chapter.

The total number of cases aided by the Will county chapter last year was 50. Of this number three are still hospitalized.

6,700 youngsters in the first and second grades of Will county schools received free injections of polio vaccine which was donated by the national foundation.

The chapter also purchased an instrument to measure vital capacity of lungs—a necessity in bulbar cases and all expenses were paid for repair and modernization of four iron lungs.

Mrs. Albert Cappel is chairman of the polio campaign in Mokena and Mrs. Hugo Niethammer is co-chairman.

The women who will canvass the community in the Mothers' March are, Mrs. Joseph Klein, Mrs. Edward Walsh, Mrs. Ramon Westlund, Mrs. Hans Mueller, Mrs. Donald Reiter, Mrs. Willard Barenz, Mrs. Wesley Cappel, Mrs. James Horras, Mrs. Lloyd Leyerle, Mrs. Kenneth Cornells, Mrs. Carroll Roberts, Mrs. Harold Behen and Mrs. Niethammer. County School Supt. Verne E. Crackel and Probate Clerk E. B. Workman are in charge of the polio fund drive in the outlying towns.

Peter Barches Succumbs at 59

Peter Barches, 59, died in his sleep Friday evening, Jan. 20 in his home in Lincoln Estates, Frankfort. Mr. Barches suffered a severe heart attack three years ago and has been confined to his bed since that time.

Born in Lithuania he came to this country with his parents as a small boy. They settled in Chicago where on June 25, 1916 he was married to the former Miss Mary Galisky. They co-located a grocery store in Melrose Park and later a tavern in Chicago.

The Barches family moved to Lincoln Estates in 1938 where he erected a building and established a business known as Pete's tavern. He was a member of the Chicago Heights lodge of the Fraternal Order of Eagles and of St. Anthony Catholic church.

Surviving are his widow, a daughter, Mrs. Eleanor Noel, of Lincoln Estates, a son, Louis of Blue Island and three grandchildren; also a brother John of Chicago.

Funeral services were held in the St. Casimir Catholic church in Chicago Heights Tuesday morning with burial in the church cemetery at 111th and Crawford.

State Sends Checks to Cities Villages for October Sales Tax

Cities and villages that have levied the half-cent sales tax permitted and collected by the state received their checks this month for the taxes paid last October.

Mokena's share for October was \$730.22 and Frankfort received \$506.58, while Tinley Park has been paid \$2,059.56.

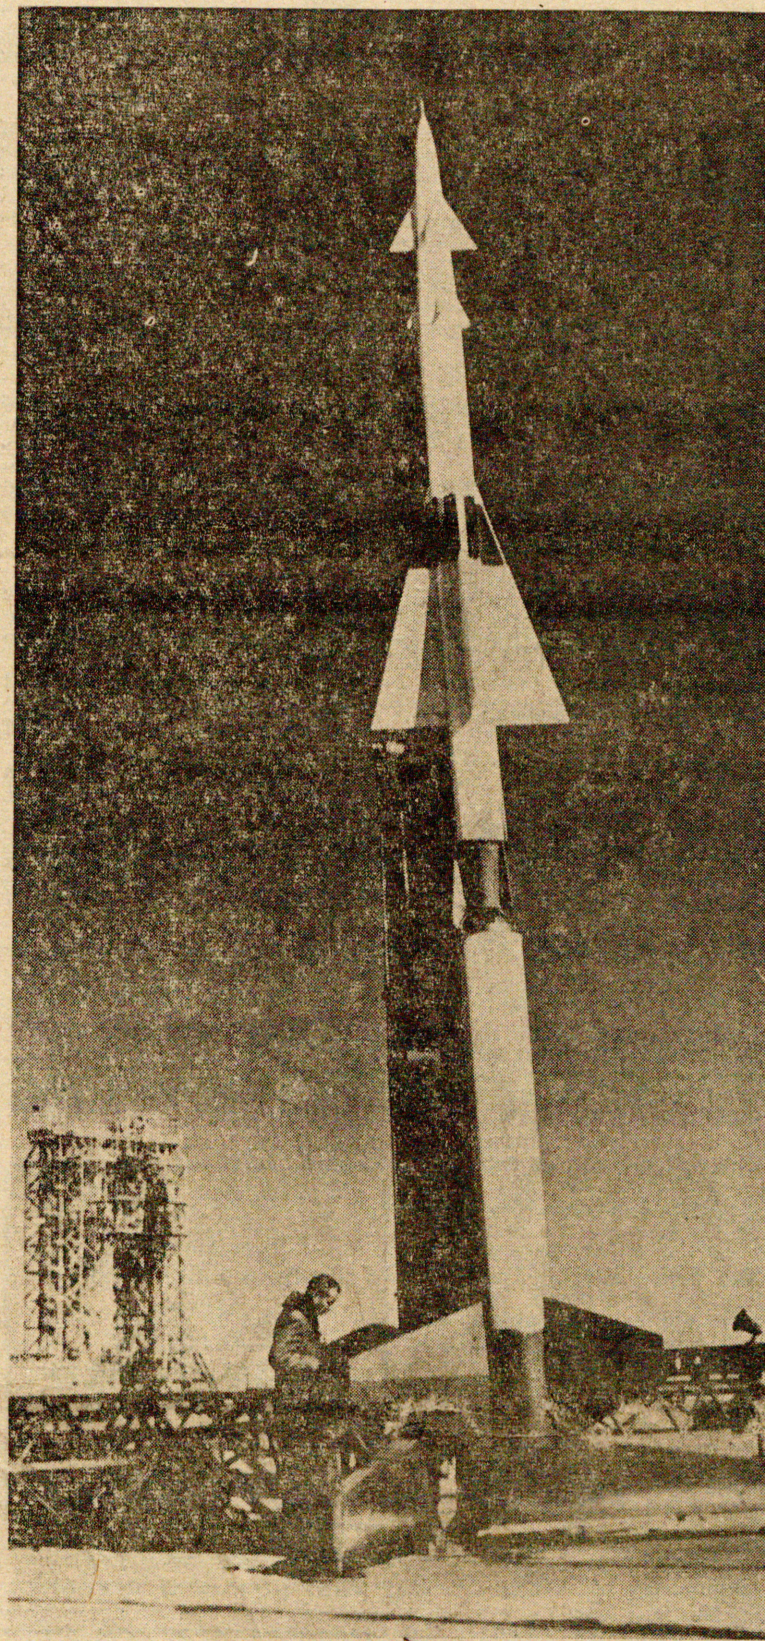

Orland Park's tax was not effective yet in October. New Lenox has not imposed such a tax.

Joliet's share of the sales tax collected in October was \$34,885.30 but it was expected that this would grow.

In reality the amount turned over to the municipalities is less than the total paid in as the state receives a fee for collecting and distributing the shares due the municipalities.

The amounts received this

Guardian of the Skies

An army officer is to address the Orland Park PTA on the part the Nike installations around the country will play in defending the United States against air attack. This is of special interest to this part of the country as a Nike installation is under construction near Orland Park.

Orland PTA Invites Public to Hear Army Official Discuss Nike

Residents of Orland Park and the surrounding area will have an opportunity to get first hand information regarding the Nike installation now being erected in this locality. The public is invited to attend a meeting at 8 p.m., Wednesday, Feb. 1, 1956, in the Orland Park elementary school gymnasium.

Arrangements have been made by the Orland PTA program committee, headed by Mrs. Roy Loebe, to bring to Orland an army representative who will speak to the group and present a film showing a Nike installation in operation.

The Nike is the army's first supersonic antiaircraft guided missile designed to defend American cities against aerial attack by an enemy. Installations are being made throughout the United States to provide a ring of defense for industrial, highly populated and strategic areas.

A Nike battery is manned by six officers, two warrant officers,

and 101 enlisted men; and the battery is kept ready to fire at a moment's notice, 24 hours a day, seven days a week.

Mrs. Hans Bader, co-chairman of the PTA program committee, will introduce the speaker, Capt. Myron Bengson, commanding officer of "A" Battery, 79th AAA Missile Battalion. Capt. Bengson has B. S. degree from Monmouth college and M. S. degree from Iowa State University and received his military training at Fort Bliss, Texas, the home of the Nike Guided Missile schools.

A question and answer period will be conducted by Capt. Bengson after the showing of the film.

Coffee and light refreshments will be served to the audience after the meeting by mothers of the third grade pupils.

Lions Form Club At Lincolnwood

An informal meeting was held Jan. 17 at the home of William Hocker in Lincolnwood Hills to organize a club of Lions International. State Secretary Frieberg, International Councilor Bud Campbell, and Dist. Gov. Don Wenzel assisted in the organization of the new club. The next organization meeting will be held at the Lincoln-Way high school, Thursday evening, Feb. 2 at 7:30 o'clock for the election of officers.

The Mokena Lions club will dedicate the ice skating pond it constructed in Memorial park with a program Feb. 5, weather permitting. Mr. and Mrs. Earl Seaborg, of Chicago, professional figure skaters, will give a program.

A government official recently said "no great amount of daring" is needed to predict that the coal industry many "confidently expect gains of 25 to 30 million tons a year on the average" for the next 10 years.

1955 Sets Record in Area Made Up of 5 Counties; Growth Steady Over Years, Statistics Reveal

Loot Safe at Shopping Bag; Thieves Get \$190

Burglars broke into a small safe at The Shopping Bag, a super market on Wolf rd., Mokena, over the weekend and made off with approximately \$190 in cash.

They also damaged two cash registers in forcing drawers to learn that nothing of value had been left in them.

From footprints found in the snow Sunday morning two men were involved.

The burglary was discovered by the proprietor of the store, Ralph Thoresen, when he opened it Sunday morning.

Deputy Sheriffs Lee Ruphard and Charles Timm, from the sheriff's office at Joliet made an investigation. According to them the burglars either concealed themselves in the store before closing time Saturday night and then went to work after every one had left, or they entered thru the front door by means of a key.

The back door was barred when the store was closed Saturday night, Mr. Thoresen said, and was unbarred when he arrived Sunday morning. The foot prints in the snow led away from the back door. There were no marks on the front door, thus showing no attempt was made to force an entrance.

A pinbar type tool was used to force the cash registers and the safe.

On the chance that the burglars may have acquired keys to the store, Mr. Thoresen has had the locks changed.

Kendall College Choir to Give Concert at L-W

The 40 voice Kendall college choir, student choral group of the Methodist-affiliated earn while you learn junior college of Evanston, Ill., will stop long enough in their whirlwind tour of Indiana and Illinois to present their concert at the Lincoln-Way high school, New Lenox on Thursday, Feb. 2 at 7:30 p.m. The concert is being sponsored by the Methodist churches of New Lenox, Frankfort, Mokena, Manhattan.

A potluck supper for all interested in this concert will be held in the high school cafeteria at 6 p.m. Those attending are to bring own table service, bread and butter and enough food to feed at least one more than the members of their family.

This year's concert is made up of songs which depict the life of Christ. These have been grouped into four divisions: the Advent, the Ministry, the Passion, and the Resurrection. English, German, Russian and American numbers, as well as Catholic and Protestant selections, have been included to show the universality of the worship of Christ thru music.

Founded in 1934, the college has never closed its doors to any qualified high school graduate who wished to enroll, even though he had no financial means to see him thru. The class schedule is so arranged that students can earn their entire way by working afternoons, evenings and weekends.

A day as you go plan and wise faculty supervision help the working student to meet his financial obligations and still carry his academic load. Approximately 90 per cent of the students earn part or all of their expenses.

Other advantages of the school its officials say, are its exceptionally well qualified teaching staff, its emphasis upon Christian character, its proximity to Northwestern university and the university's library facilities, its proximity to Chicago with all of its cultural and educational facilities and its location in a higher than average wage area that assures a student a better than average income while learning.

In the last two years enrollment at the college has increased 35 per cent. Among this year's students are seven from Korea, Argentina, Mexico, Liberia, Kenya, Columbia and Indonesia.

Hold Funeral Services for Fire Victim

Funeral services were held Monday for Mrs. Wilma LaVigne Garrison, 47, of New Lenox, who was fatally burned in an accident at her home last week.

The services were conducted from the Koppare funeral chapel at 98th and Commercial ave., South Chicago, with interment in Elmwood cemetery, Hammond, Ind.

The tragedy occurred a week ago yesterday. Mrs. Garrison was getting breakfast while her husband, Paul, who operates a grocery in New Lenox, had gone to the store to pick up a few items that she needed.

Mrs. Garrison was wearing a nylon gown and a robe of the same material. At the hospital she told a physician that she opened the oven door preparatory to making toast and when she did so flame gushed out and ignited her nylon garments. Nylon is highly flammable and in a split second she was in flame from head to foot.

The fire did not last long but Mrs. Garrison was terribly burned over most of the body.

Her husband had forgotten some of the items she had ordered and called from the store which was about three blocks from the home. Mrs. Garrison answered the phone and screamed, "I'm on fire."

Mr. Garrison rushed home and with the aid of a neighbor Mrs. William Wanzler, bundled his wife up and took her to Silver Cross hospital. Mrs. Garrison was suffering from shock but made some conversation enroute the hospital and arriving there walked into the emergency room. She died the next day.

The Garrisons came to New Lenox in 1936, two years after their marriage at Valparaiso. Mrs. Garrison was formerly employed by the Illinois Bell Telephone Co. 18 years, and was supervisor at the Midway office 62nd and Kimbark.

Besides her husband she is survived by two brothers and three sisters, all of Chicago, Fred and Frank LaVigne, Mrs. Georgina Schultz, Mrs. Bernice Brandmeyer and Mrs. Elizabeth Zehme.

Coroner Willard G. Blood indicated that the inquest into Mrs. Garrison's death would be held today at the courthouse.

Mokena Drum Corps in Drive for Members

The Mokena VFW Drum and Bugle corps, which has gained a good reputation through their excellent work participating in parades etc., are starting a drive for new members as they want to add new playing and marching routines. In order to do this more members are needed.

Any man, in Mokena or adjacent area who is over 19 is invited to join this group and their first practice. Experienced drummers and buglers are desirable, but is not necessary. Those in charge of the corps state the necessary requirements are: "A desire to learn, willing to practice, two arms, and feet that meet GI specifications."

The first weekly practice meetings for the coming season, will be held Monday evening, Feb. 6 in the hall of the William Post 725 on Wolf road, Mokena, when those desiring to join should attend.

Last year this drum and bugle corps participated in parades and homecomings in Blue Island, South Chicago Heights, Matteson, Peotone, Frankfort, Tinley Park and Mokena.

In several of the above parades the corps was in competition with stated standards and were judged by their performance while passing in review before the judges. This unit scored favorably in all instances and also won two first-place awards.

Implement Firm To Operate Caravan

The International Harvester company which is conducting a truck caravan will be in Tinley Park Friday, Feb. 3 from 12 noon to 5 p.m.

The caravan will park at the Goodson Implement company's store where an open house is to be held. The public is invited.

1955 was billion dollar year for building in the Chicago region—the first in history.

The annual report on building permits in Cook, (including the city of Chicago), Will, DuPage, Kane and Lake counties compiled by the Bell Savings and Loan Association of Chicago, places the figure at \$1,030,930,888.

The total will exceed this for there are many communities like Mokena, New Lenox, Frankfort, Orland Park, Palos Park, and many others in the five counties that are not listed, yet the past year has seen many homes and business establishments built in such places.

The upward flight of building in the Chicago region began in September, 1952. Since then practically every month led the corresponding month of the previous year by millions and tens of millions of dollars.

For instance all building in 1953 exceeded that in 1952 by \$161-million; 1954 led 1953 by \$97-million and 1955 made a gain over 1954 of \$191-million.

The billion dollar total for last year was built up with reports from the city of Chicago of some \$285-million as against \$237-million in 1954; \$581-million from the suburban towns as compared with \$484-million in 1954; \$160-million from the unincorporated areas of the zoned counties of Cook, Will, DuPage, Kane and Lake whose total in 1954 was \$118-million.

Permits were taken out for 44,529 homes last year in the region, a gain of 3,099 homes over 1954 when the total was 41,430. Permits for apartments in 1955 totaled 8,341 units as against 5,749 the year before, a gain of 2,592. Thus the total housing construction of 1955 provided living quarters for 5,611 more families than did that of 1954.

It may be of interest to note how the production of housing last year compares with that of 1954. In 1955 the city of Chicago issued permits for 9,278 homes—about one-third as many as those issued by the 104 suburban towns reporting, whose total was 27,102. This is a substantial increase for both city and towns over 1954 when Chicago reported 8,201 homes and the towns 25,099. The figures for the unincorporated areas are about the same—8,149 homes for 1955, 8,140 for 1954.

Apartment units in Chicago in 1955 totaled 6,797 as compared to 4,819 the previous year; while in the suburban town 1,536 units were built last year and 926 in 1954. None was reported in the unincorporated area last year but then few apartments are ever built in such areas.

There were 155 homes built in Tinley Park in 1955 with a total value of \$1,620,550 as compared to 141 in 1954 with a total value of \$1,345,500.

Markham had 280 homes built last year with a total value of \$2,615,921 as compared to 176 in 1954 whose value was \$1,600,000.

There was a decrease in Midlothian and Blue Island last year. Eighty-two homes were built in Midlothian with a valuation of \$388,700 in 1955 as compared to 132 in 1954 with a valuation of \$1,337,998.

In Blue Island 84 homes were built last year with a valuation of \$1,252,940 in comparison with 161 homes and a valuation of 2,004,200 in 1954.

Chicago Heights reported 370 homes last year with a value of \$4,791,000 as compared with 143 homes and a valuation of \$1,896,800 in 1954.

In Harvey 304 homes were built in 1955 and their value put at \$3,102,790. In 1954 the number of homes was 245 and the value \$2,367,409. At Hazelcrest 376 homes were built last year with a value of \$3,682,700 in comparison with 193 homes with a value of \$1,925,789 in 1954.

In Joliet 329 homes were built in 1955 with a value of \$4,196,800 as compared to 447 homes with a value of \$4,647,100 in 1954.

There were 394 homes built in Park Forest in 1955 with a value of \$3,867,900 in comparison with 351 homes and a value of \$3,732,740 in 1954.

Topping all towns was Skokie with 1,519 homes with a value of \$26,476,740. In 1954 there were 1,544 homes built in Skokie with a value of \$24,435,029.

Offshore drilling operations in the Firth of Forth, off the East Coast of Scotland, seek to prove a 6-billion ton coal reserve, a tonnage equal to the output of every Scot colliery for 250 years.

GREEN GARDEN

Mrs. Katharine Heisner
Frankfort 4902

Mrs. Harry Waldhauser entertained her afternoon Pinochle club in her home last Wednesday afternoon. Honors were won by Miss Esther Bettenhausen and Mrs. Glenn Nagel. Later a

luncheon was served. The next meeting will be held in the home of Mrs. Carl Toepper, Feb. 15.

The PTA met at the Green Garden town hall Friday evening with Frederick Uthe presiding at the business meeting. Entertainment was provided for all with square dancing and cards. Refreshments were served.

Mr. and Mrs. Frederick Uthe and children visited her sister and family, Mr. and Mrs. Lee Smith in Blue Island last Sunday.

Mrs. John Vautrin underwent surgery in Silver Cross hospital last Thursday.

Mr. and Mrs. Earl Bettenhausen and Marie Ann, Mr. and Mrs. Chester Steinberg and family of New Lenox were dinner guests Sunday of Mr. and Mrs. Albert Steinberg.

Busy Home Makers will meet Wednesday afternoon Feb. 1 in the home of Norman Lorenzen with Mrs. Mary Lorenzen as hostess.

MOKENA

Mokena 3321-4151

Mrs. Fred Cappel who has been a patient in Silver Cross hospital for the past three months, returned home Sunday morning. She is improving nicely.

Girl Scout troop 186 held an investiture ceremony Monday during which time Juanita Wilder received her Girl Scout pin. As January is the birthday of this troop, it was observed with proper thought. Memberships were renewed and new cards were distributed.

Mrs. Robert Peterson of South Woodland circle underwent a tonsillectomy in Silver Cross hospital last Thursday. She is improving nicely at home.

Miss Rita Werner, a nurse trainee from Silver Cross hospital who is attending the three months pediatric course in the Children's hospital at Milwaukee, Wis., spent three days at home this week.

George Abbe is a patient in Silver Cross hospital having suffered a heart attack.

Shirley Peterson of South Woodland circle who suffered an injury in her right leg while skating two weeks ago returned to her studies at Mokena public school Tuesday.

The first meeting of the newly formed Mokena Mouse club was held in the home of Susan Hentsch last Thursday afternoon. Refreshments were served at the beginning of the meeting. A few mothers accompanied their children to assist in making plans for the club. The next meeting will be in the home of Linda Clark this afternoon. Those present were Linda Clark, Linda Gorman, Pam Mueller, Terry Roesener, Joan Yunker, and Susan.

Paul Roesener who is employed in the office at the Mokena Oil Co., slipped on some ice in the Mokena public school yard last Friday as he was going thru the school yard to the Clarence Breithardt home with whom he lives. The next day he was taken to the Hedges clinic where x-rays revealed a broken right ankle. It was placed in a cast and now Mr. Roesener is getting about on crutches and doing his work as usual.

At a meeting of the July 17 4-H club held in the home of Mariam Clark last Friday evening, the name was changed to the July 18, 4-H club. Dorothy Loftus joined the group. Bunko was played with prizes awarded to Dorothy Hentsch, Phyllis Rust, Kay Yunker, Dorothy Loftus and Dorothy Westman. Everyone had a nice time. Luncheon was served. The next meeting will be with Phyllis Rust.

A son was born in Silver Cross hospital Sunday, Jan. 21 to Mr. and Mrs. Donald H. Smith. The baby weighed nine pounds eight ounces and has been named Donald H. the third. Mrs. Smith is the former Miss Shirley Jones. They are living for the present with her parents, Mr. and Mrs. Harold Jones.

Mrs. Lydia Ryan attended one of the concerts which are being given in Orchestra hall Chicago this week, to commemorate the 200th birthday of the great composer, Mozart. Mrs. Ryan was thrilled to see Bruno Walter, formerly conductor of the New York Symphonic orchestra, now retired, conduct this anniversary program. Conductor Walter came especially from New York to direct these. All Mozart's program which were scheduled for Tuesday and Friday afternoons and Thursday evening, and also the TV presentation Wednesday evening, Mozart was born in Salzburg, Germany and died in Vienna.

LINCOLN ESTATES

The Ann Rutledge public school will sponsor a card and bongo party in the school Saturday evening Jan. 28 starting at 8 o'clock. Everyone in the area is cordially invited.

The PTA of the Ann Rutledge school will sponsor a full length colored movie entitled "Buffalo Bill." It will be given in the school basement Saturday afternoon, Feb. 11 starting at 2 o'clock. This is a test project to see if it will be patronized enough that the school may sponsor such movies often.

The Altar and Rosary society of St. Anthony's church met Monday in the church. Plans were made to hold a three day carnival in the spring.

Mr. and Mrs. Robert Wheeler entertained their club in their home Saturday evening at a pot luck dinner. Guests were Mr. and Mrs. Robert Christie, Mr. and Mrs. William Boardman all of Chicago; Mr. and Mrs. Frank Domark, Westchester; and Mr. and Mrs. Richard Grank of Palos Heights.

Fred Bissell of Tacoma, Wash., is making an extended visit with his son, Mr. and Mrs. J. Bissell and family.

The Robert Holsingers are planning to open a laundromat in Lincoln Estates.

Frankfort-Mokena Home Bureau Meets

The Frankfort-Mokena Home Bureau was entertained in the home of Mrs. Wilbert Lauffer last Tuesday afternoon when 11 members were present. Also present were Mrs. Orville Schinkowski, Mrs. James Tilly and Mrs. C. Lial were guests.

The major lesson on fabric design was given by Mrs. Ruth Nozzi, home adviser. Mrs. Arthur Burke gave the minor lesson on household inventories.

The next meeting will be Feb. 21 in the home of Mrs. Henry Luplow in Mokena. The family night party will be held Saturday evening, Feb. 4, in the home of Mr. and Mrs. Wilbert Lauffer.

Rock Island Asks ICC for Hike in Commuter Fares

Commuters of Tinley Park, Mokena, New Lenox and other communities along the Rock Island railroad between Chicago and Joliet will be paying 15 per cent more for their tickets if and when the Illinois commerce commission grants the petition filed by the railroad for a fare increase in its commuter service.

Regular one-way and round-trip fares would not be affected nor would the multiple ride tickets of 10 or 25 rides. The increases asked would apply to the 12, 46 or 60 ride tickets which govern time of use and are issued for use by one person.

The railroad claims its suburban service is now operating at a million dollar loss annually and that since it filed its petition for an increase in commuter fares it has granted \$6 million in wage increases so even if the increase is granted there will still be a deficit.

Commuters complain that the service and accommodations are in need of improvement and that the Rock Island should junk the obsolete equipment that it is using on commuter trains. There are a few modern cars, 20 to be exact in service but most of the coaches, it is said, are about ready to fall apart.

Hearing on the petition for a fare increase is set for Feb. 16 at 10 a.m. in the state commerce commission offices at 160 N. LaSalle st., Chicago. Notices of the hearing have been sent out to officials of the cities and villages along the Rock Island suburban line.

Invest Leaders of Girl Scouts

An investiture ceremony for Mokena Girl Scout leaders will be held Sunday afternoon Jan. 29 at 3 o'clock in the Mokena public school.

Due to the illness of Mrs. Rudolph Englehardt, Neighborhood chairman, Mr. Arthur Marshall will be in charge of the program. The following nine women will be invested: Mrs. Fred Clark, Mrs. Loren Collins, Mrs. Warren Manker, Mrs. James Murdock, Mrs. James Horras, Mrs. Lawrence Weathers, Mrs. Arthur Marshall, Mrs. Glenn Hoel and Mrs. Mac Bottema.

The program committee consisting of Mrs. Hugo Niethammer, Mrs. Walter Yunker and Mrs. Harold Behen will present the following program:

Flag ceremony and presenta-

Emphasizes News Deadline

Organization news, dealing with more or less routine happenings, runs especially heavy during the fall, winter and early spring. This imposes an added burden on the editorial and mechanical departments of your newspaper. And when such news comes in late there are times that it is physically impossible to handle it.

We, therefore, ask the various clubs and groups that wish to acquaint the public with their activities that they deliver such items to us by Thursday afternoon of the week preceding the next issue of the paper in which it is to appear. When such items are not turned in until Monday or Tuesday too much of a burden is imposed on our staff.

The news we refer to is of primary interest only to the members of the organizations that send it in. News of general interest, of course, can be handled up to Tuesday evening.

News items sent in should be typed, double spaced, if possible, or otherwise legibly written and on one side of a sheet of paper only. This makes for easier handling and reduces the possibility of error. When persons names are used they must include the given name or two initials, and in the case of a woman who is or has been married the prefix "Mrs." should be used.

Thank you.

tion of colors by eighth grade Scouts will be followed by the investing of the second grade Brownies.

The third grade Brownies will do a folk dance and song and the fourth grade Brownies will sing, "White Coral Bells."

The fifth grade Girl Scouts will present the stars and a folk dance, the "American Girl Polka."

The sixth grade Girl Scouts will conduct the candle lighting ceremony and present the Scout laws.

A novel skit will be given by the seventh grade Scouts. They have been making their own uniforms and hope to have them completed for this occasion.

The colors will be retired by the eighth grade Scouts with the sounding of taps and all singing "Day Is Done."

Begin Repairs on Bridge at Marley

Repair of the bridge which gives Marley an outlet to the west was begun Tuesday of this week under the direction of County Highway Engineer, James McCarthy with Harold Spiess, Mokena, supervisor of maintenance for the department, in charge. It was expected the repairs would be completed early next month, weather permitting.

The bridge, which spans a creek that runs just west of the Wabash railroad tracks at that point, was broken Dec. 1 by passage of a heavy truck. Since then Marley residents and those to the east have had to use a long detour to go west.

Income Tax Time is Here Again

Income tax filing regulations remain unchanged from last year, Delbert J. Luippold, acting district director of Internal revenue service, today reminded taxpayers of the northern Illinois district.

Individuals under 65 who had a gross income in 1955 of \$600 or more must file. Those 65 or over are required to file if their gross income was \$1200 or more. However, self-employed individuals must file an income tax return if they had at least \$400 net earnings in 1955.

Mr. Luippold pointed out also that persons with incomes

of less than \$600 (\$1200 for 5,750 miles long, reaching from those 65 or over) should file re-Norfolk, Va., to Los Angeles, to turns to get refunds if tax was Seattle and back to Norfolk. withheld.

More than 62,000,000 tons of West Virginia's Pocahontas coal are burned each year to produce the electric power needed by four leading industries, the chemical companies, primary metals, the stone, clay and glass products group, and ton capacity and make a train paper and allied products.

Executive Board of Home Bureau Holds Meeting

The monthly scheduled meeting of the executive board of Home Bureau was held in the Farm Bureau conference room.

Mrs. Edward Berens, county president, presided. Present were, Mesdames, Dennis Ryan, Harold Scheer, Earl Lockwood, Harry Eaton, Gailen Holloway, Wilbur Lauffer, Richard Erickson and Miss Hazel Cowell.

Mrs. Ruth Mozzi and Mrs. Betty Shinn gave reports of their December activities. A local leader training school was held Jan. 12 in the conference room. "Planning the Flower Garden to Fit the Home," was given by H. R. Kemmerer. The board and volunteers from the various units served a box lunch to the Will-DuPage members Saturday, Jan. 21 in the American Legion hall.

Mrs. Gailen Holloway, Mrs. Edward Berens and Mrs. Harry Eaton have been selected as voting delegates to Farm and Home Week at the U. of I. from Jan. 30 thru Feb. 2.

Mrs. Harold Scheer and her committee are working on plans for "Play Day" at Sportsman's hall Feb. 6. Bring a sack lunch. Theme for the day will be announced in your newsletter.

Mrs. Richard Erickson reported her committee planning a new membership drive in March and new membership tea scheduled for May 25.

Sunset Review, WBA Installs Officers; Next Meeting Feb. 2

Woman's Benefit Association, Sunset Review formally installed the officers of their choice for the year 1955-57 at American Legion hall. Ceremonies were conducted by past presidents, Margaret Rauch, Mildred Sayre and Helen Johnston, all of whom were presented with a token of appreciation.

Food committee for the evening was: Selma Lahue, Arlene Vallone and Thelma Day. The Feb. 2 meeting will be held at the Legion hall and will be called to order promptly at 8 p.m. Members have been requested to arrive at the appointed hour.

Following adjournment, members traveled to Elwood for a luncheon honoring all past board members at the Elwood Methodist church. Mrs. Earl Lockwood was in charge of the program.

More electric power is used by the Oak Ridge installation of the Atomic Energy Commission than by the highly industrialized city of Detroit, Mich.

Power for Oak Ridge comes from the Kingston, Tenn., steam plant of TVA, which uses 4,300,000 tons of coal a year.

Mrs. Ava Funk is Hostess to Tinley Garden Club at Luncheon

The Tinley Park Garden club met at the home of Mrs. Ava Funk for dessert luncheon last Thursday, Jan. 19. The president, Florence Feil, reported on the Garden club meeting held in the Assembly hall of the new Prudential building in Chicago. Also attending were Florence Anderson and Lillian Zawadzki. On March 9 to 13, the Illinois Garden club will hold a flower show in this same hall.

Mesdames Mager, Anderson and Funk are to arrange for a flower display at the new Tinley Park Library building in the spring. Mrs. Trudie Swisher reported her customary delivery of magazines to Oak Forest.

Mrs. Agnes O'Neill, program chairman for the day, had arranged to have Ava Funk show slides of the recent wedding and bridal party of Mr. and Mrs. Robert Bettenhausen at Pittsfield, Ill. Other slides also were shown.

Mrs. Ed Moss displayed a branch of Forsythia which she forced into bloom.

WCS Board Discusses Work Plans for Year

The regular executive board meeting of the WCS of the Methodist church was held Jan. 23, with Mrs. Harold Zobac presiding.

Plans were made for participation in the World Day of Prayer service with the Church of the Nazarene and the Church of Christ. The service will be held in the Nazarene church Feb. 17.

There was a discussion on the possibility of sending four representatives to the Elmhurst school of missions in June. Recommendations were made that the WCS assume the responsibility of the telephone extension service in the church basement. Also recommended was a visiting committee to call on the sick as well as the society, and a welcoming committee for Sunday morning services. Plans were made for the mother and daughter banquet for May 11.

It was agreed to continue the monthly \$25 building fund for the next two years with the hope of a substantial cash contribution at the end of that period.

Mrs. Harry Schmidt has set up study classes to be held Thursday mornings during Lent. These six lessons will be on the subject of The Revolutionary Faith in a Christian World. The first session will begin Feb. 16. The next general meeting of the WCS will be Feb. 1 at 1 p.m. in the church, when Mrs. Robert Bruehl will be the guest speaker, speaking on the United Nations.

Tinley Girl Has Part in Success Of Dance Fete

Marcia Szaton of 17710 67th ct., Tinley Park, was co-chairman of her residence hall's second place entry in the 1955 dance intramural held at Grinnell college.

Following a "Bookshop" theme, the four dances presented by Miss Szaton's hall portrayed Mark Twain's Life on the Mississippi, James Michener's "Return to Paradise," Mickey Spillane's "I, the Jury," and Margaret Mitchell's "Gone With the Wind."

A freshmen at Grinnell, Miss Szaton is a 1955 graduate of Bremen Community high school.

Rising coal consumption of the 10 largest electric utilities in the nation has reached a level of almost 33,000,000 tons a year.

Joan Hood and Donald MilKent Exchange Vows

Joan Hood, daughter of Mr. and Mrs. C. H. Hood, 17809, 67th ct., Tinley Park was married to Donald MilKent, son of Mr. and Mrs. Stanley MilKent, 10545 S. 80th ct., Palos Park on Jan. 5. Justice of Peace, John Itzel performed the ceremony.

The bride wore a street-length dress in winter-white, while her only attendant, June Hood, a sister was dressed in a street-length dress in ice blue.

Robert Bauer of 103rd and Roberts Rd., Palos Park served as best man.

Following the ceremony, friends joined the bride and groom at the bride's home where refreshments were served.

The new Mr. and Mrs. MilKent motored to Wisconsin for several days and then drove to Camp Lejeune, North Carolina where the groom is stationed in Marine Service until February 23, 1956 when he will be discharged.

The bride is employed at Continental Casualty Insurance Co.

PTA News

Illinois Congress of Parents and Teachers, District 19 met at the home of district director, Mrs. Edward Pettijohn, last Thursday, Jan. 19.

Evaluation of the fall district conference which was held at Argo was discussed, with the concluding suggestion that pertinent points be referred to arrangements chairman for the 1956 fall conference which will be held at Bremen Community high school.

Dates for the Illinois state convention at Peoria April 19, 20 and 21 were announced. The possibility of again having a District 19 breakfast was considered. After pro and con debate, Mrs. Pettijohn was requested to make reservation for same. District 19 now embodies 102 local unit PTAs, with the Mohawk school in Park Forest and the Orland Center school the most recent addition.

Council presidents presented verbal reports on successful programs, informative as well as educational, special social activities for the children, safety-wise promotions, sponsored study courses, procedure as well as parent education and legislative panels which discussed the coming platform to be presented at state convention.

Mrs. Fred T. Millward, International Relations chairman introduced the information that channel 11 will hold a one-day finance drive on March 11 with the goal set for \$175,000.

Mrs. Millward was a delegate to the White House Conference held recently in Washington, D. C. She also appeared on a distinguished panel of speakers for Superintendent's group which was held at the Central YMCA, Chicago under the supervision of the Cook county board of education.

The district banquet held last spring was so successful from every point of view that it was voted to plan for another dinner. Tentative date is set for April 4, the place to be announced later.

Local unit publicity books are in process of evaluation and will be returned to council presidents in the near future.

Attending this meeting from Tinley Park was, Mrs. P. L. Jochum publicity chairman for District 19, I.C.P.T.

Lincoln-Way PTA

The Lincoln-Way Parent Teacher Group is to be entertained at its next meeting, Feb. 1, at 8 p.m. in the school, by the Lincoln-Way Dramatic club.

Two members of the faculty, Miss Jane Gillogly and Richard Keeley, will be in charge of the program. There will be music too. Robert Taylor, Lincoln-Way band director, will have charge of this part of the program.

Refreshments will be served by a committee headed by Mr. and Mrs. Tony Padzuikas.

"A child is a creature that stands about midway between an adult and the TV screen," Jerry Vale.

Engagements

Mr. and Mrs. Frederick Werner of Mokena are announcing the engagement of their daughter, Rita to Mr. George Wagner, son of Mr. and Mrs. Arthur Wagner of Tinley Park.

Announcement is being made by Mr. and Mrs. Edmund T. Knowles, 46 S. Cedar road, New Lenox, of the betrothal and forthcoming marriage of their daughter, Patricia Ann, to Wendell K. Holman, son of Mr. and Mrs. Robert Holman, 839 S. Main street, Kankakee.

Altho no definite date has been set by the young couple, an early spring wedding is being planned.

Miss Knowles is a graduate of the Joliet Township high school and Mr. Holman of the Kankakee high school. Both are employed in the office at the Joliet arsenal.

Mr. and Mrs. F. T. Anderson East Wood street, New Lenox are announcing the engagement of their daughter, Carol Linnea, to John D. Hope, son of Mr. and Mrs. James Hope, 128 Oakview drive, New Lenox. No definite date has been set by the couple, for their wedding. Miss Anderson is a sophomore at Illinois State Normal University this year, and Mr. Hope is attending Joliet Junior college, his second year.

Mr. and Mrs. Henry Mohnk of Orland Park announce the engagement of their daughter Elaine to Edwin Niemeyer, son of Mr. and Mrs. Fred Niemeyer of Tinley Park. No date has been set for the wedding.

Coming Events

Sunday, Jan. 29—Ham dinner, family style, St. George school hall, Tinley Park, 5 to 8 p.m., by Altar and Rosary society. Reservations must be made by Jan. 23 KE 2-2717.

Saturday, Feb. 4—Adult roller skating party, Frankfort gym starting 8 p.m., sponsored by Frankfort PTA. Bring own sandwiches, coffee furnished. Thurs. Jan. 26—Spaghetti supper in St. Jude's church, New Lenox, 5:30 p.m.

Sat. Jan. 28—Card party, VFW hall, Mokena, 8:30 p.m., by the auxiliary of VFW, post 725.

Tinley Hustlers Study First Aid At Meeting Feb. 13

At the January meeting of the Tinley Hustlers, plans were made to do some studying on first aid. All members are asked to bring their first aid textbooks to the Feb. 13 meeting which will be held at the Farm Bureau hall at 7:30 a.m.

Police Chief Harold Moore spoke to the group on highway safety and Fire Chief Edmond Moss presented a movie on fire prevention which was followed by a question and answer period.

Orland Club to Have Part in District Program

The Orland Park Women's club along with Beverly Hills and Mount Greenwood clubs will act as hostesses for the meeting of 3rd district IFWC, Monday, Jan. 30 at Ridge Park field house on Longwood Drive and 96th st. The meeting will convene at 10 a.m. Guests of honor will be Mrs. Lucius Patton, state press and publicity chairman, also a member of Orland club, and Mrs. George V. Malmgren, vice president of Northern Region, IFWC.

Mrs. Melville Muckelstone, director of women's activities, Region 4, for the Civil Defense administration will speak on Civil Defense and You. Mrs. Malmgren will speak on Redistricting the State. The meeting will recess for luncheon at 12:30.

The afternoon session will open at 1:30 p.m. with songs by the Beverly Hills Woman's club chorus. Mrs. Alice Graham Winters will speak on "Citizenship: Once There was a Woman."

At the January meeting of the Orland Park Junior Womens club, arrangements were made to sew hand puppets for hospitalized children. Mrs. Ivo Mersmann will supervise the making of these puppets at a gathering in her home. Mrs. George Schilling, the new Ways and Means chairman won approval of her

Birthday Club plan for the group. Hostesses at the meeting were, Mrs. Chas. McKinley, Mrs. James Plakovic and Mrs. Clarence Creer. The program chairman, Mrs. Eugene Paschall arranged for the very well received discussion on Nutrition for Modern Living, given by Dr. Elton Rice of Palos Park.

7, at which time the third district vice president will be presented to inspect the auxiliary. President Gladys Elliott requests all members to be present. Refreshments will be served.

"The difference between law and custom is that it takes a lot of nerve to violate a custom."—Paul Larmer.

VFW AUXILIARY

The Ladies Auxiliary to the Veterans of Foreign Wars, Bremen Post 2791, held a card and bunco party Jan. 17. Chairman Bessie Seeley expresses her appreciation to those who worked to make the affair a success. The proceeds will be used to purchase flag staffs for the American flag and the Auxiliary banner.

The Teen Canteen hostesses for Jan. 12 were Mrs. Gordon Erskine and Mrs. Jack Casey. The next meeting will be Feb.

"If it's Hardware See Us"

F. Bottino, superintendent of the Lockport high school and former county superintendent of schools, are the Republican nominees.

Three seek the two nominations on the Democrat ticket, Mr. Loughran, Joliet attorney and veteran Democratic leader, who is up for re-election; John J. Clemens, Joliet real estate broker, the organization's candidate, and John M. Nelson, Lockport, an employee of the Texas company, who is said to be a member of the Loughran faction.

Congressman Noah Mason of Oglesby will have opposition in the Republican primary in the person of Daniel P. Mitchell, of Plano. Stanley Hubbs of Monee, is again a candidate for congress on the Democrat ticket.

Aliens Must File Addresses With Gov't by Tuesday

District Director Robert H. Robinson of the Immigration and Naturalization Service said yesterday aliens in Illinois have until next Tuesday in which to comply with the federal law requiring that they report their address to the government during January of each year.

The immigration official urged all aliens who have not yet complied to go as soon as possible to the nearest post office or immigration service office to file the report.

Parents or guardians may file the report for aliens under 14 years of age, or those incompetent or under custodial care.

Mr. Robinson said the address report is required each year from all aliens except those in diplomatic status and foreign representatives assigned to the United Nations must be filed during January.

He pointed out willful failure to comply carries penalties ranging from fines to deportation.

The official said an estimated 80,000 aliens in Illinois have already complied with the address report requirement, compared to 140,000 who filed address reports last year in the state.

CROP Returns Total \$1,527 in Will County

The drive for the Christian Rural Overseas Program (CROP) conducted recently in Will county raised \$1527.94. Other donations from individuals and churches brought the grand total for the county to \$1760.91.

Cook county, which was not fully organized for CROP activities raised \$686.01.

James Tilsy is county chairman and also chairman for the north half of Frankfort township. This section along with New Lenox and Homer townships, raised \$509.01. The south and southeastern part of Will county including the south half of Frankfort township raised \$847.95. The northwestern part of the county added \$170.98 to the project.

This means that for every \$1 used, 100 pounds of surplus farm food is distributed to other countries that are much in need of it thru the missionaries.

4-H Conducts Tractor Clinic

Four 4H club leaders from Will county attended a district tractor training clinic at Rockford Jan. 11-13.

The leaders include Lawrence Meyer, Manhattan; Joe Roth, Jr., Naperville; Bob Noel, Elwood, and Lehnert Riegel, Peotone.

Assistant Farm Adviser Ken Bailey says that these tractor training clinics are planned to train local club leaders in the 4H tractor and machinery program so that they can conduct similar training clinics for club members in their own counties.

Experience has shown that adult leaders are best suited for this job of conducting tractor clinics at home, Bailey says. A knowledge of machinery and tractor maintenance will be helpful.

Wendell Bowers, extension agricultural engineer, and a member of the state 4H staff, both from the University of Illinois College of Agriculture, attends each district meeting to conduct the workshop sessions. Representatives of the sponsor and major implement manufacturers assist with the instruction.

Law On The Farm

By Norm Krausz

Compensation for disturbance is a payment made by the landlord to the tenant when the tenant is forced to quit the farm thru no fault of his own. For example, a landlord may wish to place his son on the farm, or return to farming himself to qualify for social security.

The payment is based on the theory that in a well-settled country where farms are not readily available, owners of land have an increased responsibility with regard to the tenure of the people who live on and operate their land. A notice to quit, even if given six months or more before the term ends no longer affords adequate protection for the tenant with a

large investment in machinery, equipment and animals.

Damages payable should be based on several factors, among them length of tenure, general availability of farms, cost of moving and loss to tenant thru inability to find a farm that will fit his present equipment, machinery and livestock. The English law sets one year's rent as a minimum disturbance payment. This probably would be too high under present conditions in Illinois.

If the tenant is forced to move and another farm is available, the payment could be only the cost of moving. If another farm is not available, and additional payment based on the factors mentioned above could be set out as a fixed amount in the lease. This would provide considerable incentive for the landlord to help the tenant find a new farm.

A law requiring a disturbance payment would not be entirely without precedent in Illinois—the guarantee of "quiet enjoyment" contained in a deed is similar in principle and purpose, except that it applies to the grantor-grantee relationship.

More Widows Than Widowers

On the national average, women live 6 years longer than their husbands and are about 3 years younger, making a 9-year difference in the life expectancy of average couples. Thus 13 per cent of women are widows while only 4 per cent of the men are widowers. Add this to the fact that men leave their estates, large and small, to their widows and you see why so much of the nation's wealth is in the hands of women.—The Kiplinger Letter

Big Building Boom In The 60's
A building boom in the 60's is assured and it's likely to be almost twice as big as the present one, says the Kiplinger Letter. Marriages are the major factor in the demand for new houses. Marriages now are at the rate of 1.5 million, yet they justify 1.3 million houses. In the early 60's, 1.3 million houses a year will be needed to accommodate the 2.1 million new marriages.

The teddy bear was named for President Theodore Roosevelt.

MARLEY

Mrs. Virginia Sass
New Lenox 3133

The Mother's March on polio will take place throughout the Marley community Tuesday evening, Jan. 31. Mrs. Francis Nelson, chairman, will be assisted by three workers, Mrs. Everett Bell, Mrs. William Loucks and Mrs. Joseph Bruns. A five-dollar contribution was received by the Marley chairman from the Marley Woman's club.

There will be no public meeting at the Marley church this Friday night, Jan. 27.

Mr. and Mrs. Owen Maue and family were guests Sunday afternoon in the home of Mr. and Mrs. Russel Lauffer.

Guests Sunday afternoon of Mrs. Adella Sprout were Mr. and Mrs. Clarence Rowley of Plainfield and Mr. and Mrs. Duward Killinger and Scott of Joliet.

The January meeting of the Missionary society was held in the church Wednesday afternoon. The new president, Mrs.

James Tilsy presided during the meeting and introduced the speaker, Mrs. Snyder of the Baptist Children's Home at Lake Villa. Mrs. Snyder presented an interesting account of the home and showed colored slides of the children and various activities that take place there. Refreshments served in the church dining room by the hostesses Mrs. Harwood Stellwagen, Mrs. Henry Tilsy and Mrs. James Tilsy.

Predicts Further Enrollment Increase For Grade Schools

Ten years from now 23 per cent more children will be entering elementary schools than today, 55 per cent in high schools and 40 per cent more in colleges. We will need some

600,000 more classrooms to accommodate them—a jump of about 60 per cent, according to the Kiplinger Letter.

We'll also need 200,000 more teachers every year for ten years to cover school growth and to replace those who quit or retire.

The main problem, of course, is money, which in the end means more taxes. The total cost of schools, public and private, now is eight to ten billion dollars a year. In the next ten years this may double and most of it must come from taxes.

What kind of taxes will support the schools? Mostly property taxes for already nearly 45 per cent of the property taxes collected in states go to the schools. So there will be higher local taxes, higher property assessments, and fewer exemptions.

Your car should be properly lubricated after each 1,000 miles of service. The Chicago Motor Clubs remind you that this is especially important in winter when snow and slush tend to have deteriorating effect on the chassis. Proper lubrication will insure long life for your car.

NOTICE OF PUBLIC HEARING
NOTICE IS HEREBY GIVEN that a public hearing will be held on the tentative budget and appropriation ordinance of the Library of New Lenox Township, New Lenox, Illinois, for the fiscal year beginning on the 1st day of April, A. D. 1956, and ending on the 31st day of March, A. D. 1957, at the Library of New Lenox Township in the Village of New Lenox, Will County, Illinois, on the 27th day of February, A. D. 1956, commencing at 7:00 o'clock P. M., Central Standard Time.

The tentative budget and appropriation ordinance for said Library of New Lenox Township, New Lenox, Illinois for said fiscal year beginning on the 1st day of April, A. D. 1956, and ending on the 31st day of March, A. D. 1957, is now on file in the New Lenox State Bank in said Village of New Lenox, and is conveniently available for public inspection. Dated this 18th day of January, A. D. 1956.

THE BOARD OF LIBRARY DIRECTORS OF THE TOWN OF NEW LENOX, WILL COUNTY, ILLINOIS
By: DR. A. D. MILLER
Secretary
Jan. 26, 1956

NOTICE TO
Mary McAndrews, Joseph F. Wiegmann, Anna Gehner, and Unknown Heirs or Devises of Caroline Reichart, Deceased, owners, Mrs. Mary McAndrews (the person in whose name the real estate was last assessed and taxed for general taxes), Joseph H. Hartley, County Clerk of Will County, Illinois, PERSONS IN POSSESSION OR PARTIES INTERESTED IN SAID REAL ESTATE AND UNKNOWN OWNERS.
TAKE NOTICE, that on October 13, 1953, Edward H. Bick at a sale made in pursuance of a decree entered by the County Court of Will County, Illinois, in the cause entitled, "People of the State of Illinois vs. James Hayes, et al", and numbered 8394, purchased the following described real estate:

Lot 119 in Sunnyland, a Subdivision of Section 25, Township 36 North, and in Range 9 East of the Third Principal Meridian.
That there was included in the decree which said real estate was sold general taxes for the years 1935 to 1952, both inclusive.
That the time of redemption from said sale will expire June 15, 1956.
FURTHER TAKE NOTICE, that the purchaser has this 17th day of January, 1956, filed a petition in the County Court of Will County, Illinois, in the case number 8394, praying that said County Court order and direct the County Clerk of Will County, Illinois, to issue a tax deed conveying the above-described real estate to the purchaser if said real estate is not redeemed from said sale within the time allowed by law.

You and each of you are hereby notified that if no redemption from said sale within the time allowed by law, the purchaser will, on the 22nd day of June, 1956, at 10:00 A. M., or as soon thereafter as said petition can be heard, appear before his Honor John C. Cowing, Judge of the County Court of Will County, Illinois, or before such other Judge as shall be sitting in his stead in the County Court Room of the Court House in Joliet, Illinois, and apply for an order on said petition directing that a tax deed conveying said real estate issue to the purchaser, at which time and place you may appear if you so desire.
Dated this 17th day of January, A. D. 1956.

NOTICE TO HOME

Knights Tap Mustangs 61-50 in Conference Game; Lose to Morris

By Denny Wheeler
Lincoln-Way basketball varsity enjoyed a semi-successful week-end as they dropped Evergreen Park 61-50 Friday, but were drubbed by Morris 72-41 Saturday night.

The team sat in the driver's seat against Evergreen's Mustangs and altho there were some rather ticklish moments in the third quarter, they were never behind. Red Wade and Danny Wondrasek provided 14 of L-W's 17 points in the first quarter as the Knights stepped away to a 17-13 margin.

They widened their lead in the second stanza and at halftime, Lincoln-Way led 31-21. However, in the third period, the Mustangs hit the bucket at a torrid pace and slashed the Knights' buldge to a mere four markers. Lincoln-Way led at the close of the period 46-42. But the Mustangs' streak was shortlived and the Knights, led by Mark Schellenberg's nine points in the final period pulled away safely.

Leading the Knights to their third victory was Danny Wondrasek with 20 points. Red Wade was next in line with 16, followed by Schellenberg's 15 tallies. Ron Vidl led the Mustangs with 16 markers.

The following evening was a gloomy one for Knight fans as their favorites were tromped

72-41 by a smooth Morris quintet. The Knights held their own for the first and last quarters but were outscored 49-14 in the middle two.

Red Wade was the leading scorer of the game along with Jim Garling of Morris with 15 points each. Russell Ferguson of Morris was next with 14 tallies.

The frosh-soph team had a bad week-end as they were nosed out by the young Mustangs of Evergreen Park 36 to 34 and lost to Morris 60-39. The game with the Evergreens was a see-saw affair. Lincoln-Way led 13-8 after one quarter but were down 21-16 at the half only to come back and knot the score 28 all at the end of the third period. In the last frame the young Knights dropped behind and just couldn't catch up.

Hank Jensen led the Little Knights with 14 points, Dave Zechlin following closely with 12. In the game with Morris Jensen scored 17 points.

The Lincoln-Way men play but one game each next week-end as they travel to Bremen. The varsity will be trying to make it three in three consecutive week-ends with a win while the Little Knights attempt to break a two game losing streak.

L-W Grapplers Split Card With Morgan Cadets

By Don Lehmann
Lincoln-Way wrestlers took a 32-15 licking at the hands of Morgan Park Military academy last week. This was the second time the cadets won a mat contest from Lincoln-Way. It started out with Ken Zitter losing an 8-2 decision. In the next match, his brother Woody wrestled to a 1-1 draw with Wirth, neither man able to get the other down. Then Eddie Zitter lost 4-0 to Bowden.

In the 120-pound class, Lincoln-Way had Terry Marshall wrestling varsity for the first time. He was pinned by Morgan's terrific Regan early in the first period.

Virgil Hammond then lost a tough 6-5 decision. Jim Lee and Dave McGuire also went down in defeat, before "Titus" Moede, wrestling for the first time, won the first victory for the Knights. One match later John Weber and Ed Martie won pins. Ed Wood of Lincoln-Way drew the task of wrestling the cadets 260-pound heavyweight, Ellis. Altho there was some very spirited action in the opening moments, Ellis pinned Woodward in the second period.

Results:
95 - Solana (M) decisioned K. Zitter (L) 8-2
103 - W. Zitter (L) drew with Wirth (M) 1-1
112 - Regan (M) pinned Marshall (L)
120 - Chranowski (M) decisioned V. Hammond (L) 6-5
133 - Donley (M) decisioned Lee (L) 9-4
138 - Alexander (M) decisioned McGuire (L) 9-6
145 - Moede (L) decisioned Rossi (M) 9-4
154 - Madsen (M) pinned Knierieb (L)
165 - Weber (L) pinned Kahoun (M)
175 - Martie (L) pinned Vitkus (M)

Heavyweight - Ellis (M) pinned Woodward (L)

The "B" team beat Morgan Park rather handily, 25-18, after a slow beginning. Lawrence Hunt fought to an 8-8 draw with Gatano. Then Larry Francis and Paul Thomas were pinned, making the score 12-2 in favor of Morgan Park. Lincoln-Way won the next five matches. Chuck Hammond started things moving by pinning Haule for his first victory of the year. Mike Werner waited until the last second of the 3rd round before he pinned his opponent. Jim Warning, wrestling in his first match ever, had no trouble at all with Koman. In the next bout, John Fish was ahead all the way and decisioned Luetgert, 6-0. In the 165-pound class Joe Buckland altho outweighted by 20 pounds (he normally wrestles 145) pinned Letzow. It will probably be the last appearance for big Joe as he has moved to Joliet. In the next two matches, Sparky Hauck and Larry Phifer dropped identical 6-1 decisions.

Results:
95 - Hunt (L) drew with Gatano (M) 8-8
103 - Smith (M) pinned Francis (L)
127 - Witt (M) pinned Thomas (L)
133 - C. Hammond (L) pinned Haule (M)
138 - Werner (L) pinned Ras-Kelly (M)
145 - Warning (L) pinned Koman (M)
154 - Fish (L) decisioned Luetgert (M)
165 - Buckland (L) pinned Letzow (M)
175 - Letzow (M) decisioned Phifer (L) 6-1
Heavyweight - Pappas (M) decisioned Hauck (L) 6-1

To avoid frozen fuel lines the Chicago Motor Club suggests you add eight ounces of grain alcohol or an approved commercial equivalent to every other full tank of gasoline.

Sandburg Frosh-Sophs Ring Up Nine Straight

The frosh-soph cagers of coach Adams continued to roll at Carl Sandburg along its victorious way, taking their last three starts. They defeated Evergreen Park 55-31, Bremen 52-44, and Peotone 51-35, and now have won nine games in a row.

Against Evergreen Park, a conference for, Al Kara led the Sandburg scoring with 14 points, and Pat Ford added 10.

Last Friday night the Sandburgs won another conference game, defeating Bremen for the second time this season, by a score of 52-44. This was the eighth straight victory for the Eagles, and the 10th in 11 games played this year. Mark Hill and Al Kara shared scoring honors, with 15 points apiece.

Against Peotone on Saturday night, the Eagles led all the way to rack up win No. 11, their ninth in a row, by a score of 51-35. Kara again led the Sandburg scoring with 14 points as M. Hill and Bernie Partoll each added 12 counters. V. Toepper scored 13 points to lead Peotone's scoring.

The frosh-soph squad will play two games this coming week-end, against 2nd place Rich, tomorrow night, at Rich and Minooka here on Saturday night.

Bremen Takes Rich, Cadets in Wrestling

In wrestling competition the past week Bremen high chalked up decisive wins over Rich and the Morgan Park Military academy.

After dropping the first two bouts at Rich Thursday, Jan. 19, the Braves made a clean sweep of the final 10 matches for a 30-6 victory.

Scoring falls for Bremen were Norm Scharlau, George Avelano, and Bob Fiddler.

Ed Teichman, Jack Unzicker, and Jack Ruitter copped shut-out decisions while teammates Joe Ciserella, Mack Jerkatis, Earl Willey, and Joe O'Brien gained the nod over their opponents.

Altho Bremen drubbed the Morgan Park cadets 28-10, two Brave wrestlers, Jack Ruitter and Mack Jerkatis, had a string of 10 straight victories snapped.

In a 120-pound bout, Ruitter was edged out 5-3 by Rod Regan, undefeated in nine matches. Mack Jerkatis, 138-pounder, had to settle for a draw with Jon Zielinski.

Blanking their opponents to score impressive wins by decision were Scharlau, Earl Willey, and Fiddler.

Jim Gruhn, Avellano, Unzicker, O'Brien, and Oda Drake piled up huge scores to gain verdicts over their foes while Ed Teichman tied with Don Ellis.

Bremen's next home meet, 2 p.m. Saturday, Feb. 4, pits the Braves against Downers Grove.

Lions, Teachers Ready for Cage Tilt

Talent -- Basketball Talent, By the Ton

Pictured here is the Lions basketball squad which is to see action Saturday night in a game at Lincoln-Way high school against a team of teachers from the institution. The Lions, who represent the New Lenox and Frankfort clubs, are confident of victory and if number and weight have anything to do with it the Lions have some basis for their confidence.

Sandburg Varsity Cage Team Wins 3 Straight; Eying Conference Lead

Sandburg's varsity Eagles racked up three more victories last week-end by defeating Evergreen Park 62-31, Bremen 81-68, and Peotone 49-46.

In the Bremen game Ron Weingartner made 35 points to set an all time Sandburg scoring mark. Co-holders of the previous high scored in the Carl Sandburg were Weingartner, and Don Gee, each of whom scored 30 points. Gee made his this season, and Weingartner in a game last season. Schroeder scored 32 point in the Orland Park gym during the season of 1953-54.

The 81 points total the Eagles scored against Bremen was their high total of the season to date. Both teams kept up a torrid pace thruout the game. The Eagles scored 21 points in each of three different quarters, the first, second and the fourth. Don Gee added 22 points to Weingartner's 35 and grabbed most of the defensive rebounds off the boards for the Eagles. The win gives Sandburg a record of 6 wins and only 1 loss in Southwestern Suburban league play.

Sandburg traveled to Peotone last Saturday night, and avenged an earlier defeat (in the championship game of the Crete-Monee holiday tournament), by defeating Peotone, 49-46.

Both teams appeared ragged on offense, but this was partially due to the fine defense ef-

forts being turned in by both quintets. The Eagles held Peotone to 16 points in the entire first half, and led 31-16 at halftime, but the Eagles could not keep up this pace, and were outscored in the last half.

Ron Weingartner tallied 23 points to lead the Eagles' scoring, and Dave Andersen added 13 points. Don Gee scored only eight points but was the outstanding rebounder on the floor, taking 18 rebounds off the boards. Cook scored 15 points to lead Peotone in scoring. This non-conference victory was the fourth straight win for Coach John Jorstad's Eagles, who have won 11 games and lost four for the season.

Sandburg will play two games this week-end. Tomorrow, the 27th, the Eagles will travel to Park Forest where they will be aiming for an upset of highly rated Rich township, the Southwestern Suburban Conference leaders.

A win for Sandburg would put the Eagles into a tie for first place with Rich. Saturday night Minooka will furnish the opposition at Sandburg, in a non-conference game. In the opening game of the season for Sandburg, the Eagles won a thriller from Minooka, 54-53.

The Sandburg varsity defeated Evergreen Park on Saturday, January 14, at Sandburg, by a score of 62-31. Weingartner was the high scorer in the game with 20 points.

Mokena Ponies Keep Winning

The Mokena Meteors launched the second half of the DesPlaines Valley conference in fine style by downing New Lenox for the second time this season. The lights scored their easiest win of the year by holding their opponents to a single basket and coasting to a 24 to 3 victory. The triumph kept Mokena's record perfect as this was their sixth straight win and assured them possession of first place for another week.

New Lenox was unable to penetrate the Meteors defense until the fourth period when a basket and a free throw accounted for all their scoring. Kruzich led the attack scoring 11 points.

Mokena heavies also were victorious for the second time this year over New Lenox. The game however, was more closely contested than the first one and for a half at least it appeared as tho an upset was in the making. Mokena rallied in the third and fourth quarters to put the game beyond the reach of New Lenox. A very slow first quarter saw Mokena trail 2 to 0, and even tho they managed three baskets in the second period, the score still stood 8 to 6 against them at the half. The tide was changed at the start of the second half as Schult entered the game and sparked a fine rally. His basket tied the game at 10 all and two more in quick succession maintained the advantage to Mokena. The fourth period saw Haechnlein pick up where Schult left off and his five baskets turned the close game into a rout. Haechnlein finished as the top scorer with 14 points.

The Meteors also enjoyed success outside the conference as they journeyed to Orland Park Friday to down the Parkers 33 to 19 and 34 to 16. Schult sparked the lights with the season's individual scoring record of 23 points.

The heavies trailed at the end of the first period 9 to 8 but were in command at the half 18 to 12. The scoring was evenly balanced with Liston high with 10 and Lorenz following with 8.

The next home game is Friday against Manhattan, whose heavyweights are leading the conference.

Will Play Saturday at L-W; Proceeds for Benefit of School

Two more days and the question of whether the Lincoln-Way faculty has a better basketball team than the Lions club can put on the floor, will be answered.

On Saturday night, Jan. 28, in Lincoln-Way high school gym a basketball team made up of

Lions club members from Frankfort and New Lenox will tangle with a squad comprised of Lincoln-Way teachers—the men teachers, that is.

Proceeds from the game will be turned over to the school's athletic department for the purchase of parkas for Lincoln-Way's football squad next fall.

Dr. Lowell Webb, of New Lenox, who is coaching the Lions, reports his squad in excellent shape, waist lines surely and steadily diminishing.

"The team has surprised me in many ways," said Coach Webb. "For one thing its skill in ball handling is amazing, as is its speed."

There has been a lot of speculation about the faculty team but the members aren't talking and their practice sessions have been star chamber affairs. There are rumors that Supt. A. Hunter Chapman will be used only for quick baskets when and if the teachers need them.

The faculty has not announced who is coaching the squad but Dr. Ralph Wright is said to be cast in the role of peacemaker of peacemaker, which ever is needed. Lincoln-Way athletic teams carry the name of Knights. The faculty team is known as the Midnighters.

It was noted in Coach Webb's statement that while he spoke of skill in ball handling and speed he said nothing about endurance and according to scuttlebut the good doctor is worried as to what would happen in case the game went into an overtime. In such event it is likely that he would have to call for a litter squad.

The Lions are expecting a capacity crowd to support the cause for which the game is being played and has arranged for a flock of prizes to be awarded to the spectators.

A preliminary game is to be played at 7 o'clock by future material for Lincoln-Way cage teams. This curtain raiser is to be played by grade school teams from Mokena, Frankfort, New Lenox and Manhattan.

Manhattan and Mokena are to play the first quarter and New Lenox and Frankfort the second period. The losers will play the third quarter and the winners the final frame.

These four teams have been playing a good brand of basketball and should please the crowd. The Lincoln-Way Rhythm Knights will appear in an especially prepared dance routine and the high school band under the direction to Robert Taylor will furnish the music.

Nothing without wings climbs like a '56 Chevrolet!

Ever level off a mountain with your foot? Nothing to it. Just point this new '56 Chevy uphill and ease down on the gas.

Up you go with a quiet (hydraulic-hushed valve lifters now in all engines—V8 or 6) rush of power. This is the car, you know, that broke the Pikes Peak record. The car that conquered towering grades and vicious switchback turns to prove its superior performance, handling ease and cornering ability.

These are built-in qualities that mean more driving pleasure and safety for you. Chevrolet also offers such safety features as seat belts, with or without shoulder harness, and instrument panel padding as extra-cost options.

There are 19 new Chevrolets—all with Body by Fisher. Drop in and drive one.

Winter Workshop

The students enjoyed a one day holiday Monday, Jan. 23, while the faculty was on duty at the winter workshop.
The morning agenda included announcements by Supt. A. Hunter Chapman, reports from the standing committees, and a talk by Dr. Ralph Wright on the use of test data by the classroom teacher.
The afternoon session was devoted to the reading improvement program. Miss Mildred Letton of the department of education, University of Chicago, talked to the staff on "The Improvement of Reading at the High School Level". Miss Letton is one of the outstanding reading authorities in the state and has considerable experience working with high school teachers.
A potluck supper was held in the school cafeteria after the workshop, followed by co-recreational activities in the gymnasium.

"Cities of Tomorrow"

The 9th grade social studies classes have been working on plans for the "City of Tomorrow." These classes are under the direction of Jonas Lashmet and Earl Dieken, with the cooperation of Kenneth Kinney of the art department.
The classes are divided into committees with each group selecting its own project. Some are working on their own communities as they might look twenty-five years hence.
The projects are an outgrowth of a chapter in social studies concerning the importance of transportation and the need for improving our roads of tomorrow.

Some interesting projects emerging thus far illustrate such things as modern shopping centers; the use of clover leaf crossings with overpass and underpass; two levels of roads; sidewalks above the street level and neighborhood units somewhat similar to Park Forest.

Many of the projects are three dimensional using a variety of materials such as colored sawdust for parkways, cut sponges for trees and shrubs, paper models for homes, buildings and factories.

Visit Court House

The officers of the Abe Lincoln F.T.A. went to Joliet Jan. 19 for a meeting of the county school administrators. They were invited to come and discuss the problems of recruitment. At the meeting they were told the teachers were very scarce and that it was up to them to help. It was suggested that the students help the teachers in different subject areas to acquaint them with some of the real work of teaching.

Those who made the trip during the afternoon were Mr. Dieken, sponsor, Pat Wilson, Jackie Mc McGinnis, Ted Dunham and Barbara Rollings.

Library Acquires New Books
About 30 new books have

been added to the library during the past week. Included are books of fiction, non-fiction, biography and reference. Among them are the following:

1. Lovejoy's Vocational School Guide. A handbook of job-training opportunities, listing more than 200 trades and skills. It is an up-to-date directory of over 6,500 public and vocational schools throughout the United States. Its companion, Lovejoy's College Guide, published several years ago, is probably the most sought-after book in the entire library except the dictionary.

2. Crisp/The Devil Diver. The action takes place on a salvage ship whose captain, on the trail of treasure, is wrecked on the island of Chapalulu Bay in the Maccassar straits. Excitement culminates in the discovery that one of the crew is after the treasure too, and the treasure is his "take" during a former stint as a gun runner.

3. Daugherty—Ten Brave Women. Short biographies of ten American women who have made contributions to our country's history. Examples are Ann Hutchinson, Dolly Madison, Narcissa Whitman, Dorothea Lynde Dix and Eleanor Roosevelt.

4. Hammond-Innes—Island of Peril. Adventure of an attempt by a group of Germans to re-establish themselves on a Norwegian island after World War I by gaining control of oil deposits and wrecking the whaling industry.

5. Landis—Building your Life. Designed to help young people as they strive to make a healthy growth toward maturity in all their relationships, at home, at school and in the community.

Some of the other titles are: Arnold—White Falcon
Beard—Presidents in American History
Coombs—Case of the Purple Mark

Erdman—The Far Journey
Ketchum—What is Communism?
Ketchum—What is Democracy?
Look (magazine)—Look at the U. S. A.

Manton—Story of Albert Schweitzer
Tregaskis—Guadalcanal Diary

Scout Trail

Tinley Park Girl Scouts is a national organization which is a national organization which helps girls grow up to be responsible women. The idea of service to others and working together are imperative. Scouting helps girls to achieve these goals.

In the past five years, Girl Scouting and its counterpart the Brownies have made great progress here in Tinley Park. There are 11 troops with a membership of 163 girls and 63 adults in scouting, troops are reported filled to capacity. Girl Scout troops are limited to 24 and Brownies to 16 with a minimum of two leaders for each group and a troop committee of three who give help in planning the troop program.
If you should ask any Brownie or Girl Scout whether she enjoys herself, you will receive an enthusiastic "yes", a spokesman said. "Do you have a daughter in this age group or in the program? Can you find a little time to help?"
"Do you like girls and enjoy working and playing with them?" "Do you have a special skill you could teach girls, cooking, sewing, crafts, singing or dancing?"

Mrs. Elmer Knudsen, Tinley Park Neighborhood chairman, KE 2-2792 will be glad to talk with anyone about Scouting. In order to acquaint herself with the duties of the office, Mrs. Knudsen is attending the current neighborhood chairman training course now being conducted at the South Cook county office at Harvey.

LINCOLNWOOD

Dolores Anderson,
phone 3651 New Lenox

Philip, seven weeks old son of Mr. and Mrs. Harold Wollenhaupt, has returned from Ingalls Memorial hospital, where he was a surgical patient.

Mrs. Charles Leonhardt, children, Judy, Cathy, and Mark of Bedford Park, moved into their home on East Circle drive, this past Tuesday.

Weekend guests of Mr. and Mrs. Harold Wollenhaupt and family were, Mr. and Mrs. Arnold Cole and daughter Linda of Chicago.

Mr. and Mrs. Frank Benedict and Mr. and Mrs. Herbert Kellogg of Joliet, were guests Saturday night of Mr. and Mrs. Richard Pokorny and family.

Mr. and Mrs. Leonard Konkell and children Randy, Jerry and Cathy spent the past weekend in Milwaukee with his parents Mr. and Mrs. A. M. Konkell.

Major Clare Newman returned Sunday from a week-end of special activity at Ft. Sheridan. Mrs. Lee Keller returned Saturday from Silver Cross hospital and her infant daughter Nancy Jo, returned home a few days later.

Mr. and Mrs. Clare Newman attended the J. C. Distinguished Service Award dinner held in the Moose hall in Joliet last Thursday night.

Coal's importance as a commodity in river traffic can be gauged by the fact that 23 of 129 barge terminals on the 651-mile Tennessee river are for the exclusive handling of coal. Seven of the terminals handle coal bound only for electric utility boilers.

CHRISTIAN SCIENCE CHURCHES

How spiritual understanding of divine Love enables mankind to make the Golden Rule practical in daily living will set forth at Christian Science services this Sunday, January 29. Keynoting the Lesson-Sermon entitled "Love" is the Golden Text from 1 John (4:12): "If we love one another, God dwelleth in us, and his love is perfected in us."

The spiritual basis for brotherhood is brought out in selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy including the following (518:13-19): "God gives the lesser idea of Himself for a link to the greater, and in return, the higher always protects the lower. The rich in spirit help the poor in one grand brotherhood, all having the same principle, or Father; and blessed is that man who seeth his brother's need and supplieth it, seeking his own in another's good."

Scriptural selections will include Paul's powerful statement

on brotherly love (Galatians 5:14): "For all the law is fulfilled in one word, even in this; shall love thy neighbor as thyself."

Small Business Shows Growth

There is a common belief current that small business enterprises are fading out in the economic battle for existence. There are facts on record, however, which should take the place of superstitions.

The factual record on the number of business firms goes back to 1900—a pretty long time ago. Then there were 22 business firms for each 1000 persons in our nation.

But in January 1955 there were 26 business firms for each 1000 persons. That shows that although the growth of large business enterprises occurred during those 55 years, the opportunities for small business enterprises have not suffered.

AUCTION

Having decided to quit farming, I will sell the following described property at public auction on the farm 6 1-2 miles South of Frankfort on Center Road; 1 1-4 miles South of Green Garden Township Hall; 7 miles West of Monee; 7 miles East of Manhattan; 7 miles Northwest of Peotone.

The New Lenox Girl Scout council met recently in the New Lenox Methodist church with Mrs. Wendell Hardy and Mrs. Don Lewison as co-hostesses. During the informal half hour preceding the business meeting Mrs. John Francis, Neighborhood chairman, introduced Miss Veta Funderburk, executive director of Trailways council; and Mrs. Paul C. Prior, the new dis-

trict director. Marlys, Mrs. Prior, as she prefers to be known, was born in Joliet and was a Girl Scout, and attended Junior college there. After desert coffee, the business meeting convened. A discussion was held regarding the financing of the Neighborhood program and on the needs of our neighborhood. Mrs. Francis announced that the new second grade troop led by Mrs. Alfred Pearson and Mrs. Louis Balbinot, Jr. have been given the troop number 88. The 4th grade troop which has been meeting at Haven school needs a new leader. Anyone interested can call Mrs. Francis. Mrs. William Knowles and Mrs. William Becker will be hostesses at the February meeting.

Mr. and Mrs. Kenneth Renner and daughter Bonnie Sue left Saturday in their trailer for Miami, Fla., where they will make their home. Mr. and Mrs. Jack Simmons, of Joliet, have purchased the Renner home on Pine street and moved in Saturday.

Girl Scout troop 104 met Monday in the Methodist church with Mrs. Algot Peterson and Mrs. Arthur Rowsell, leaders. The girls are working on their 2nd class badge. Lynda Stevens

was in charge of the games for the afternoon. New members of the troop are Dorene Smith, Carolyn Ressler and Holly Peterson.

Mrs. Norma Fitzer was hostess in her home Friday night to the members of the Young Women's pinocle club. Prizes were awarded to Mrs. Lorraine Vally, Mrs. Lenna Koerner, Mrs. Lillian Mangun, and Miss Mary Jane Gougar. Mrs. Doris Luce, and Mrs. Mangun were guests. Dessert coffee was served after the games. Mrs. Ruth Goetschel will entertain the club at their next meeting.

The regular meeting of the Woman's League of Trinity Lutheran church will be held Tuesday, Jan. 31 at one o'clock in the church. Dessert coffee will be served followed by the business meeting. Mrs. Donna Kruck is program chairman, who will present the program for the year. Hostesses will be Mesdames Florence Schoop, Adelaide Rühle and Selma Benck. All members are urged to attend.

Mrs. Jacob Koller has returned from Hoopston where she spent the last few weeks with her daughter, Mr. and Mrs. Charles Norfolk and family.

The New Lenox unit of Will County Home Bureau will meet Friday, Jan. 27, in the home of Mrs. Manuel Camden, with Mrs. Louis McCann as co-hostess. Dessert coffee will be served at 1:30. Mrs. Ernest Rydberg will give the lesson on Dressing for the Occasion.

Fifteen members of the New Lenox Woman's club gathered at the home of Mrs. Howard Ayres, Tuesday afternoon, Jan. 17, for dessert coffee at 1:30, followed by the business meeting. The members voted to contribute to the Polio fund, and to buy some equipment for the Trinity Handicapped school on Gougar road. They also voted to observe the 20th anniversary of the opening of the local library by having an open house at the library Tuesday, Feb. 7. Mrs. Elton Pyle program chairman, presented a program on Antiquities.

Bishop Charles W. Brashares, resident bishop of the Methodist church, has appointed the Rev. George Martin of Lenox, west of Rockford, as pastor of the New Lenox Methodist church. The Rev. Mr. Martin will have services in the local church here on Sunday, Feb. 5. He and his family will move here after Feb. 1.

Members of the WSCS of the Methodist church will meet Wednesday, Feb. 1, in Silver Cross Nurses' home in Joliet, where they will sew bandages for the hospital. The women will meet at the church at 9:15 a.m. from where they will go in cars to the hospital at 10 o'clock. A pot luck dinner will be served at noon, and a business meeting will follow.

The Altar and Rosary society will serve a Spaghetti supper Thurs. Jan. 26, starting at 5:30, in the parish hall.

Saturday the St. Jude's CYO basketball team won from the CYO boys of St. Mary Magdalene in Joliet, by a score of 18 to 11. On Tuesday of this week, the team played St. Cyrils of Joliet in St. Joseph hall in Joliet.

The VFW post 9545 will meet Thursday night Feb. 2, for their regular meeting in the Fire station.

Mr. and Mrs. Harvey Cross, 121 East 4th avenue, New Lenox, are the proud parents of a seven pound, ten ounce daughter, Pamela Jane, born Jan. 4 in Silver Cross hospital. Mrs. Cross is the former Shirley Batson.

The Second Child Study club will meet tonight, Jan. 26, in the home of Mrs. John Baskerville on Cedar road. Mrs. Eugene Schubert will be co-hostess. Mrs. Alice Gorman, guide counselor of Lincoln-Way high school will be the speaker.

The Friendly Circle of the Methodist church will meet Saturday night, Jan. 28 in the church for potluck supper. Mike Brueggeman, president will conduct the meeting which will follow.

Don't forget the Smorgasbord supper being served tonight at the Methodist church dining room, sponsored by the Friendly Circle of the church. Serving will begin at five o'clock.

The reorganization meeting of the New Lenox Cardinal 4H club will be held Feb. 1 in the home of Mrs. Clarence Wise at 7:30 p.m. Any high school girls wanting to join this group are invited to attend.

The Schmul school community club party and meeting will be held Friday night, Jan. 27 in the school. Mrs. Clara McMahon, Mrs. Clarence Madsen, Mrs. Elmer Miller will be hostesses. All attending are asked to bring cup cakes and pop. Cards and bunco will be played after the meeting.

The New Lenox Garden club will meet Feb. 2 with Mrs. Lawrence Carlson. Slides will be shown of the Chicago flower show. Co-hostesses will be Mrs. Ben Martin and Mrs. Ferd Nusbaumer.

Rehearsals will get underway this evening, Jan. 26 for the Methodist Dramatic club's current production, "Papa Is A". The play tentatively will be presented Feb. 23, 24 and 25 in the Haven school auditorium. During the recent business meeting the group voted a donation to the March of Dimes. Ronald Crisman, president, announced that the work-shop sessions on lighting and color will be sponsored Feb. 7 by the Joliet Footlights. Several members plan to attend these sessions.

Mrs. Clarence Anderson will leave Friday by plane from Chicago for Los Angeles, Calif., where she will spend a week

Over-all Picture in U.S. One of Extraordinary Material Progress

At this season the economists present their summaries of what has happened in the past and what is anticipated for the future. There are problems and maladjustments, notably in certain branches of agriculture. But the over-all picture is one of extraordinary material progress and achievement—probably the greatest in recorded history.

The secretary of the treasury, George Humphrey, has described "what millions of Americans have been actually making of our economy." Our total production of goods and services is not far from \$400,000,000,000 a year—which works out to seven times the 1900 level after allowance is made for price rises. It is of the utmost significance that the greatest share of this goes not to the wealthy, but to the people in the lower and middle income groups. Where, early in the century, only one family in 10 earned as much as \$4,000 a year in terms of today's prices, now half our families earn more than \$4,000.

The fruits of this are found in statistics which are astonishing by any standard. At the turn of the century there were 14,000,000 life insurance policies in force in this country—now there are 250,000,000. In 1900 individuals had liquid savings of all types amounting to less than \$10,000,000,000—now the total exceeds \$235,000,000,000. More than 15,000,000 Americans have over \$30,000,000,000 invested in pension and retirement trust funds which didn't even exist in 1900. Close to 10 per cent of all our families today own stock in American corporations, while 55 per cent live in homes of their own.

What all this means, in Mr. Humphrey's phrase, is that "the basic interests of the man in overalls are today the same as the basic interests of the man in the business suit." He uses inflation as an example of that mutuality of interest. Between 1939 and 1953 inflation "stole" \$478 out of each \$1,000 of sav-

ings—almost half. It did that by cheapening the dollar—by cutting its purchasing power. That brings up an ever-existing danger. It is commonplace to read political programs which propose tax reduction on the one hand and, on the other, all manner of increased federal expenditures for social security, for schools and roads, for public housing, for public power development, and so on and so on. How could such programs be put into effect? In only one way—by running the government further into debt thru a series of huge deficits. Then renewed inflation would follow as day follows night, and the people would be "robbed" of their savings again. No other results could be expected from a policy of taxing less while spending more. And, along with the material losses, the individual would lose opportunity and freedom—a price always exacted by governments which are reckless with the assets of the people, and insatiable in their drive for more power over the lives of all.

It is far easier to build a system which gives the masses of people freedom along with material well-being than it is to maintain it. Dr. George S. Benson has pointed out that "When you look back down through the pages of history, you will find the wrecks of 19 civilizations. You will find that nowhere in the world at any one spot have people for many generations maintained a good government or a good economy." Demagoguery, special privilege, successful group, a gradual wasting away of the principles of individual freedom, responsibility and obligation—these were among the seeds whose crop was disaster.

No nation has any natural right to freedom. Freedom must be worked for and earned—and everlastingly protected. Material gain is a by-product, so to speak, which comes to those who place the greatest value on the free man and the free society in which he lives and works.

During the depression decade of the 30's, the birth rate was 18 per 1000.—The Kiplinger Letter

Heavy Equipment requires a tractor to have Power and Backbone! NEW INTERNATIONAL 300 UTILITY

has more on-the-job power and stamina for the LONG PULL

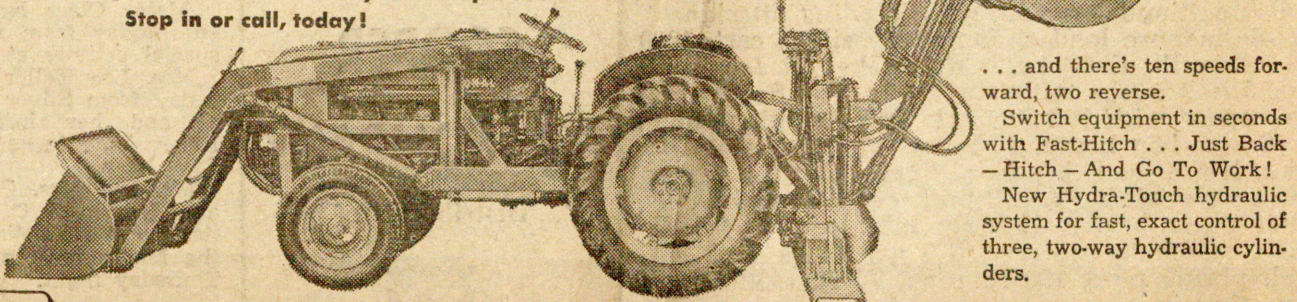

Over 1,000 additional pounds over similar type tractors are built in the 300 Utility. Stronger power train, stronger chassis, stronger front-end—all the possible trouble spots are protected when you add heavy equipment to the 300. The powerful 300 Utility is built to take it—to give you more drawbar pull—over 39 horsepower—more tractor for the investment. And it pays big dividends—more work on more jobs for lower cost per job—lasting power and stamina for the LONG PULL!

We can arrange a demonstration on your own job... Stop in or call, today!

Big Cost-Cutting Features:

Over 1,000 extra, built-in pounds over similar type tractors assures both sure-footed traction and stamina for the LONG PULL.

Torque Amplifier drive matches speed and power to the job... boosts pull-power 45% on the go without shifting gears

...and there's ten speeds forward, two reverse. Switch equipment in seconds with Fast-Hitch... Just Back—Hitch—And Go To Work! New Hydra-Touch hydraulic system for fast, exact control of three, two-way hydraulic cylinders.

CARD OF THANKS
I wish to thank all relatives, friends and neighbors for the lovely cards, gifts, flowers, money etc. sent to me for Christmas and my birthday. Your thoughts of kindness and prayers are deeply appreciated and will always be remembered.
MARIE ANN TEWES

Mr. and Mrs. Robert Burns, Mr. and Mrs. Leroy Mager and Mr. and Mrs. Conn Wieringa were hosts at a house warming party for Mr. and Mrs. Al Hochberger in their home Saturday evening. A social evening was spent followed by refreshments. The large group presented the Hochbergers with a purse of money.

Mr. and Mrs. Harold Schifler spent Sunday afternoon with his father, William Schifler who is ill in the home of his son, Mr. and Mrs. Glenn Schifler at Mokena.

The Amite club met recently in the home of; Mrs. Fred Heuser at which time the following officers were elected: Miss Viola Lankenau, president; Mrs. Walter Pfaff, secretary and treasurer. The club met Tuesday evening in the home of Miss Lankenau. They made a donation to the March of Dimes.

An open house and reception will be given in the Methodist church parlors Saturday evening Feb. 4 from 7 to 9 p.m., to honor Norman Heisner and his bride. All relatives and friends are invited. Norman, son of Mr. and Mrs. Frank Heisner, will be united in marriage with Miss Donna Clark of Champaign Wednesday afternoon, Feb. 1. The ceremony will be held in the Methodist church at Champaign with the Rev. D. R. Crocker officiating. Guests at the wedding will consist of immediate family members. The parents of the bride are deceased.

Dr. and Mrs. Otto Novota and children were Sunday dinner guests of his mother, Mrs. Christine Novota in Chicago Sunday.

Mrs. Richard Kortanek was pleasantly surprised last Wednesday when about 15 guests were entertained at the home of Mrs. Otto Novota, in her honor at a stork shower. Assisting hostess was Mrs. Oran Deist. A social afternoon was spent. Mrs. Kortanek received many lovely gifts.

A luncheon was served at the close of the afternoon.

The Rev. and Mrs. William Reimann of Mokena visited with the Rev. and Mrs. Erich Bizer Sunday evening.

Mrs. Herbert Folkers attended a party for a former co-worker, Miss Helen Breen of Chicago, held at the Palmer House in Chicago Wednesday.

Dr. and Mrs. Claude Otto entertained in their home Saturday evening, Dr. and Mrs. W. V. Hedges, Dr. and Mrs. Merle Otto Dr. and Mrs. Irving Rudman, Dr. and Mrs. O. J. Novota, Dr. and Mrs. J. P. Petnick, Mr. and Mrs. Frank Novak, Mr. and Mrs. Howard Osmus and Mr. and Mrs. Arthur Lambrecht. After a pleasant evening refreshments were served.

Mr. and Mrs. Harold Scheer and daughters of Green Garden visited with his mother, Mrs. Anna Scheer, Sunday evening.

The Frankfort PTA will sponsor a roller skating party for the members and their friends, Saturday, Feb. 4 at 8 p.m. in the school gym. Each is to bring their own sandwiches, coffee will be furnished.

Mr. and Mrs. Burnett Schram and family spent Sunday afternoon with Mr. and Mrs. Lester Barton and Mrs. Margaret Schram at Elwood. The latter, who makes her home with the Bartons, had the misfortune of falling last Thursday in the kitchen of their home and breaking her right arm.

Mr. and Mrs. George Schroeder, Mr. and Mrs. Donald Schroeder and Mr. and Mrs. Glenn Schroeder and daughters were Sunday dinner guests of Mr. and Mrs. Harold Spiess at Mokena.

Mr. and Mrs. Henry Hossbach Mr. and Mrs. Glenn Schroeder and daughters and Mr. and Mrs. Donald Schroeder visited with Mr. and Mrs. George Schroeder last Friday evening to celebrate Mr. Schroeder's birthday.

The Frankfort Honey Bees 4H club met Jan. 20 in the Methodist church. The new officers are Vivienne Eisenbrandt, president; Beverly Kluth, vice president; and June Samuels, secretary. Due to a large amount of school and other work Yvonne Piepenbrink and Carol Larson had to drop their membership in the club. Talks were given by Rosemary Ritt on dental health; Joyce Martin, first aid facts and by Judy Lewis on essentials of a sewing basket. The game, "How do you like your neighbors" was played. The leaders taught crocheting beannies. Scrap books are due Feb. 17. Diane Schoen and June Samuels were hostesses. The next meeting will be Feb. 3 in the Methodist church at 7 p.m.

In a note to The News-Bulletin from Clara Leppla Krueger from her home in Minneapolis recently when she sent in her remittance for her subscription, she stated, "You see I am a former Frankfort resident. I enjoy your paper very much, have precious memories of many warm friends."

ALPINE
Mrs. E. Mrosek
Fieldbrook 9-2841

Mrs. Harwood Stellwagen, leader of the Alpine Girls 4H club, and Edward Mrosek, Sr., a leader of the Orland boys, attended the 4H leaders meeting in the White House tea room in Brookfield, from 10 am. to 3:30 pm. Tuesday. The 4H program for the coming year was discussed. Principal speakers were Carl F. Mees, Cook county farm adviser, and William F. White, side, assistant farm adviser. An excellent lunch was served.

Walter Bernard, co-leader of the Orland Boys, could not be present because of illness.

Severe attacks of illness are being reported throughout the district. Some are expressing the thought that a few days of zero weather is the cure all needed.

The Orland unit of the Cook County Home Bureau, which has many members from Alpine, was well represented at the 15th annual meeting and dinner of the Cook County Home Bureau, held in the tower room of the Conrad Hilton hotel in Chicago, Jan. 19. Featured speakers were Miss Sophia Fahney of Cairo, Egypt, who talked on "Household Customs in the Arab World," and D. Gale Johnson, who is an agricultural economist at the University of Chicago, talked about Women in the USSR. Mrs. John P. Lohmann served on the nominating committee for the Orland unit.

Members of the Orland Unit who were present were Mrs. John P. Lohmann, Mrs. Raymond Myrick, Mrs. George Sayers, Mrs. Eric Enblom, Mrs. Oscar Mack, Mrs. Edward McCarthy and Mrs. Sigmund Bukowski.

Mrs. Claradell Upham, home adviser, gave an interesting lesson on "Decorating Walls," at the monthly meeting of the Orland Home Bureau unit, held in the home of Mrs. Eric Enblom, Friday. The meeting was attended by Mrs. Raymond Myrick, Mrs. Lillie Mattsen, Mrs. George Sayers, Mrs. Oscar Mack, Mrs. Edward McCarthy, Miss Clara Myrick, Mrs. John Lohmann, Mrs. Charles Bezdek, Mrs. Robert Nemeth, Mrs. Arden Summerville, Miss Mary Minter, Forest Miller, Mrs. Sigmund Bukowski, Mrs. Henry Andersen, Mrs. Harry Anderson and Mrs. F. Beck and her mother, Mrs. Eva Clark. Hostesses were Mrs. Charles Bezdek and Mrs. Myrick.

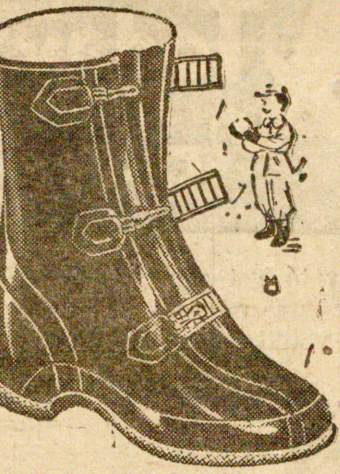

At a meeting of the 1956 4H Fair board, held in the Farm Bureau Tuesday evening, Jan. 17, Edward Mrosek, Sr. of Alpine was elected to fill the vacancy

Gas Dries
Clothes Perfectly
for Less
- Why Pay
5 Times More ?

Penny Flame says
"Gas Clothes Dryers are Simply Wonderful"

NORTHERN ILLINOIS Gas COMPANY

\$5,000 to \$10,000 Income Group Growing Fast
The number of families making \$5,000 to \$10,000 increased 80 per cent in the past five years, according to the Kiplinger Washington Letter. In 1950, there were 8.7 million such families, just 19 per cent of all families. In 1955, there were 15.7 million families.
Kiplinger editors point out that this expansion of "middle incomes" is largely responsible for the boom in sales of autos, houses and appliances.
Correspondingly, the number of low-income families is shrinking. Families with incomes of less than five thousand dollars have decreased by 5.2 million, a drop of 15 per cent. There is still poverty, but it is diminishing progressively.

PERFORMANCE
made it the
Largest Selling "8"
in the World...

the FORD V-8

Just look at these official registration figures for the first 11 months—January through November, 1955

Here's why!

People just naturally go for 8 cylinders in the FORD package!
And to a world record extent!
Just think, in the first 11 months of 1955 alone, 344,496 more people bought Ford V-8's than the two other low-priced competitive eights combined!
Of course, the reason the Ford V-8 is the largest selling eight-cylinder car in the world is that more people like its brand of performance—the kind that comes with the car!
These people aren't amateurs in judging engines. Nearly 24 years of building Ford V-8's to supply their demand is convincing proof of that.
And the Ford V-8 of today is the best yet... by a country mile!
Smoother and quieter—you can scarcely hear it, even with the hood up!

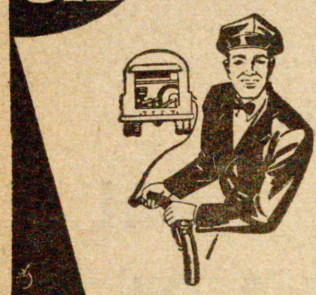

Sassier—just ask the highway patrol officer who drives one. He knows it takes a Ford to catch a Ford!
And, for the very practical question of durability—ask a Ford cab driver. He knows how Fords take it days on end. So, if it's performance that you want—and wrapped like a gift—the '56 Ford V-8 is your baby.
Come in... try it today!

CARD OF THANKS

I want to express my thanks and appreciation to all who sent me cards and who visited me while I was in the hospital and since I am home.

BEN SPECHT

Last call for volunteers for the "Mothers March" for an hour Tuesday evening, Jan. 31. Contact Mrs. Karl Ekberg, Fieldbrook 9-3315 if you can help this worthwhile drive, for an hour.

A surprise baby shower was given Monday evening, Jan. 16 by Mrs. Eugene Paschall honoring Mrs. John Hutchinson, 13700 Elm st., Orland Hills. Guests were Mrs. Bette McGowan of Oak Lawn, Mrs. Lucille Strom, Whiting, Ind., formerly of Orland Park; Mrs. Jos. Tinaglia, Mrs. Robert Johnson, Mrs. Elmer Libner, Mrs. Billy Clark, Mrs. Oscar Enk, Mrs. Clarence Creer, Mrs. Chas. McKinley, Mrs. Jas. Whiteford, Mrs. Joan Pukiewicz, Mrs. John Taylor, Mrs. Ivo Mersmann, Mrs. John Hutchinson Sr., Chicago; Mrs. W. R. Lockhart, Beverly Hills, mother of the honored guest and her sister, Mrs. Glenn Courtwright, Oak Lawn.

The table center was unique with a plastic tree, each branch containing a cradle of half egg shell with a miniature baby doll embedded in cotton. The place cards of pink rosebuds also contained miniature baby dolls. Refreshments were served. The honored guest received many beautiful and useful gifts.

Edgar Mitchell suffered a slight stroke Jan. 12 which effected his speech. He was taken to the hospital for observation, but is home now and improving nicely and regaining his speech. Mr. Mitchell is in the eighties.

Ben Specht who fell on an icy sidewalk in December and who has been confined to a hospital, is now improving nicely in his home.

Laurel Camp 1796 Royal Neighbors of America, will meet at the home of Mae Hebel, this evening, Jan. 26 at 8 o'clock. All members are urged to attend. Refreshments will follow the social hour.

The Orland Cloverettes 4H club held a skating party on one of the ponds at Laguna Woods, Saturday evening. After an hour of skating, the girls had a supper of hot dogs, cocoa etc. at the home of Jean, Nancy and Judy Bendix, and then back to the pond for more skating.

The Cloverettes have taken in several new members and now have a membership of 20. The room improvement and food projects which the girls carried during the winter months are progressing nicely and now the girls are registering for the clothing projects which will be under the leadership of Mrs. Howard Braasch. The next meeting, Feb. 6, will be in the home of Barbara Schmaedeke, at which time new officers will be elected.

The Men's club of the Orland Park Methodist church will meet

Thursday evening, Feb. 2, at 8 o'clock in the church social room. The program will be a film "The Way He Should Go." Refreshments will be served. All men are invited to attend.

Mrs. Foster Myrick, son and daughter, Mrs. Ray Myrick, Gustie Hallinan, Mabel Ekberg, and Lillian Knox were luncheon guests of Mrs. Robert Horn, Friday.

Lawrence Uthe, who underwent surgery around Christmas time, is home and convalescing nicely. He would appreciate hearing from his Orland friends as he formerly resided in Orland. His address is 14517 Campbell st., Posen, Ill.

Mrs. Harry Heiting is a patient at St. Francis Hospital, Blue Island. She is to undergo tests and treatment.

Another boy for the Marvin Coopers, born Wednesday, Jan. 18 in Silver Cross hospital, 10 ounces and has been named Gary Norman. Mother and son doing fine and are home.

Last week Sunday evening while Bertha Nicolai was going down a stairway to get her gossamer, her heel caught near the bottom stair causing her to fall. After a visit to the doctor, it was discovered her right arm was broken above the elbow. It will be several weeks before she will be able to use her arm, but she is improving nicely.

The Orland Park Woman's club met Wednesday afternoon, Jan. 18 in the Community Center Foundation. \$5.00 was pledged to the March of Dimes. Mrs. Jay Lamb of Palos Park, membership chairman for third district, talked on increase in membership; each club to attain 10 more members. Mrs. Lucius Patton Literature chairman, gave a book review on Up Home by Ardyth Kennelly, which deals with Mormons and their life at Salt Lake City, Utah. Refreshments were served by Mrs. Frank Buck, Mrs. H. Adele Cooper, Mrs. Thomas Wheeler, Mrs. Jay Doctor and Mrs. Gene Bates.

The Trinity Lutheran church on 159th st., Tinley Park, was host to the Lutheran Woman's Missionary league, Jan. 18. Christ Lutheran church in Orland was represented by Mrs. A. Lach, Mrs. Frank Greenhoe, Mrs. Edward Duer, Mrs. Robert Horn, and Miss Irene Stelter. Mrs. E. Hirsch of Chicago Heights told of her visit to Europe and amplified her talk with film pictures.

Laguna Woods

Mrs. Robert Anderson
Fieldbrook 9-2857

The Laguna Woods Home Owners association held its first meeting of the new year Jan. 17 in St. Michael's church basement in Orland Park. The newly elected officers are: Geo. Carroll, president; Robert Anderson, first vice president; Ernest Mazuras, second vice president; Raymond Cebold, treasurer; and Frank Militello, secretary.

Committee chairmen were appointed as follows: building approvals, Gordon Bendix; roads, Robert Anderson; membership, Arthur Arnold. The beautification committee includes Mrs. George Carroll and Mrs. Arthur Arnold. The social committee will be headed by Mrs. Robert Anderson and Mrs. Gordon Bendix. Suggestions will be welcome on ways to create interest in our group thru social activities.

Mr. and Mrs. H. G. (Pete) Niebrugge, parents of two sons, are proud to announce the arrival of a baby girl, Laura Lynn was born at 3:23 p. m. in the Little Company of Mary hospital Jan. 18. She weighed seven pounds 9 1/2 ounces. She has the distinction of being the first baby to be born at Laguna Woods.

For those who are interested—the class of 1941 Parker High school, will have a reunion Saturday, Jan. 28 at 7:30 p. m. in the Cicero Business Men's club. Dinner and dancing will be the program.

HOMER

Lockport, R. 1
Telephone Lockport 1337M

Mr. and Mrs. B. D. Brankey who recently returned from their second tour of Europe with a new set of pictures, especially chosen to depict the European way of life, will show them at

Homer church, Friday evening, Feb. 3, sponsored by the C.A.C. of the church. No admission will be charged but a free-will offering will be taken. Refreshments will also be available. An interesting evening is assured.

The Wayside Workers circle of King's Daughters will meet in the home of Mrs. Wilbur Francis, Sr., 1812 State st., Lockport, Thursday afternoon at 1:30 with Mrs. E. A. Cary assisting hostess.

Mrs. Andrew Welter is a medical patient in Silver Cross hospital.

Among those who attended the annual meeting of the Will county district soil conservation association in St. Rose school gym at Wilmington were Mr. and Mrs. Robert Shepherd, Jr., Mr. and Mrs. Otto Konow, Jr., Mr. and Mrs. John Hollister, Mr. and Mrs. Eugene Paddock, Mr. and Mrs. Jerome Anderson and daughter, Betty, Rev. and Mrs. Philip Muth and Mr. and Mrs. Bruce Anderson. The speaker of the evening was George Menard a radio agriculture program supervisor of Chicago. Mrs. Hollister, accompanied by Betty Anderson, was the soloist. Bob Burch presided. The C.A.C. held their monthly meeting in the Bruce Anderson home Wednesday evening. Refreshments were served and plans were made to have the Brankys exhibit their European pictures at the church.

At the regular business meeting of Pilgrim Fellowship last Sunday evening, the following officers were installed: president, Marilyn Lein; vice president, Robert Thompson; secretary, Betty Anderson; treasurer, John Buck; recreation chairman, Sherman Reiter.

A group of relatives and friends pleasantly surprised Mrs. Frank Kolar in her home Jan. 11, in honor of her birthday. Games, visiting and refreshments made the evening hours fly.

On Sunday afternoon and evening, Jan. 22, Mr. and Mrs. Bert Doig of Joliet held open house in honor of their fiftieth wedding anniversary. Mrs. Doig, nee Sophia Cleveland, lived in Homer at the time of the wedding on what is now the Henry Winke farm. Mr. Doig was a native of New Lenox township.

The couple were united in marriage by the then pastor of Homer church, the Rev. L. N. Stratton.

Next Sunday the Rev. Mr. Muth will organize an adult Bible class as a part of the Sunday school program. Any one wishing to join should be of high school age to 90, and it is hoped many will avail themselves of this opportunity.

Many school children have been suffering from the flu. Among the most recent visitors are Mary Filipowicz and Carolyn Drewes. Mrs. Willard Rowley has had a severe attack of rheumatism.

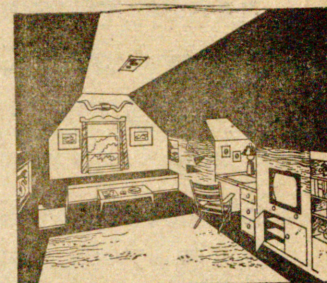

HOMER CHURCH

Phillip Muth, pastor
John Hollister, Superintendent
Sunday school begins promptly at 9:30 a. m.
Worship service 10:45 a. m.

BIG CHANGE at SMALL COST

Attic idle? Why not convert that valuable space into an extra space into an extra bedroom, TV room or den... finished off in handsome knotty pine or sturdy wall-board that takes paint or paper. Cost? Less than you think. Call us in... we'll give you a free estimate on the spot!

"I cook for you electrically—
for pennies a day!"

says "LITTLE BILL"
your electric friend

A complete dinner for 4 costs only pennies to prepare with a modern automatic electric range.

How we keep your electric bill down (while everything else goes up)

Although the cost of living has doubled, electricity today actually costs you less per kilowatt-hour than it did 25 years ago.

Commonwealth Edison helps keep your electricity bill down in many ways. Bills sent every two months

reduce costs of bookkeeping, meter reading and postage. These and other important "little savings" add up to lower cost electricity.

So today, while you use more electricity, you get more for your money (almost twice as much, in fact).
